

School Strike Is Voted, No Date Set

New Plea By Teachers' Union For Pay Talks With Board Rejected

A strike vote was approved Tuesday night at a meeting of Granite City teachers, who continued their efforts to negotiate directly with the school board.

Timing of a strike was left up to the teacher union's executive committee.

Also meeting Tuesday night, the board unanimously approved present negotiating procedures and reiterated that it has not and is not now "closing the door" on negotiations.

Efforts to reach an agreement on salaries for the July 1962-1963 period date back to March 1962.

A strike occurs without advance notice, school authorities have pledged that steps will be taken to see to it that students have supervision and that they have a chance to leave school safely when they leave school.

Any shutdown that might occur is expected to be of no more than one-day duration. A court injunction could be sought to return school operation to normal.

Meet With National Leaders
A strike occurred here on the final day of the school term in June 1960, and such work stoppages and direct negotiations are regarded as part of the strategy of state and national American Federation of Teachers officials, who have met frequently with local teachers.

The state and national leaders were present again Tuesday night at Local 743 met in the high school auditorium.

Paul Meyer, chairman of the local's publicity committee, said the group Tuesday ratified two actions of a smaller group early last Friday morning—strike authorization and a vote of "no confidence" in Supt. Harold M. Kaiser as negotiator. He said over 200 were present for the ratification.

A telegram to School Board President Robert Spence, following a Local 743 executive committee meeting Monday night said that "previous channels of negotiations have not proven satisfactory" and requested "a meeting with the board of education or a committee of the board members as soon as possible to prevent further damage to the morale of the teaching staff."

We hope to announce during our special membership drive on Tuesday... your acceptance of direct negotiations. Our representatives attending the board of education's meeting Feb. 26 are authorized to relay your reply," the telegram said.

Hein Bjorkman related. She heads the local's salary and policy committee.

Decision By Board
The seven-member board unanimously decided against direct talks. It was announced at 11:30 p.m. Tuesday after an open discussion and two executive sessions. Four teachers and two

Looted Missouri Safe Found In Middle Of Venice Bridge

A safekeeping was discovered at 9:30 p.m. Monday in an unusual place—the middle of the McKinley Bridge.

A truck driver told a bridge toll collector that he had seen the safe dumped out of an auto. Police were dispatched and had

Seven filed for six school board positions in the Quad Cities as the filing period began yesterday.

Candidates in the Granite City district are Monroe Worthen, incumbent board member and school treasurer; Ronald Dillard, who resigned last month as a Granite City teacher to enter business with his father-in-law; and George L. Withers, a custodian at Prather junior high school. Two positions are to be filled.

Hammer Huber, also an incumbent board member and former board president, did not file and has indicated he does not plan to run.

Worthen, an accountant, resided at 2845 Pictorial drive, Dillard at 2725 Sunset drive and Withers at 2313 Missouri avenue. It is believed that Withers could not be a board member and school employee simultaneously.

No other petitions have been given out in Granite City or in the Madison and Venice districts, where incumbents as yet are unopposed.

Madison candidates for re-election are Dr. Steve Geyoff, dentist, 1601 Third street, and William Schreier, McDonnell Electric Co. patternmaker, 1913 Harris street.

These running for re-election in Venice are Michael Leathman, Jr., 1021 Third street, an Engineer Dept employee and Venice fire chief, and Harold Seibert, 1010 Third street, a Dron Electric Co. electrician.

2 Quad-Cityans Cadeis At State Police Academy
Two Quad-Cityans are among 49 candidates this week began training at the Illinois State Highway Police Academy on the state fairgrounds in Springfield.

The 10-week recruit course includes 600 hours of classroom and field instruction.

The local cadets are—Rudolph J. Diak, 2108 Clark avenue, and Andrew Planitz, 74 Grenzer Homes, Madison.

Granite City Steel Co. will start operation this year of two new strip processing and inspecting lines, one for hot rolled and one for cold rolled coils.

Nicholas P. Veder, chairman of the board and president, said here today in the annual report to stockholders.

With the development of automatic-feed fabricating lines, many manufacturers now order flat rolled steel in the form of heavy coils instead of having the mills unwind the long strip and shear it into sheets. Veder said the two coil processing lines will give the company tighter control over the quality of its coil products.

In addition, the hot rolled coil processing line will contain

Fumes Overcome Four In Family

Faulty Flue Blamed—Mother and 3 Daughters Hospitalized Overnight

A Granite City family of six had a close brush with death Wednesday morning when fumes from a gas furnace crept up a back stairwell and into an apartment at 1604 East 23rd street.

Their mother, Mrs. Betty O'Dell, 33, and her three daughters, Pauline, 13, Billie, 11, and Joy, five, were overcome by carbon monoxide shortly after 8 a.m. in their three-room apartment.

They were rushed by ambulance to St. Elizabeth Hospital where they were given oxygen and held for treatment. They were due to be released today.

The father, Frank Edward O'Dell, and son, Frank, 14, were not hospitalized. The father told firemen he had felt nauseous for three or four days. The boy had departed about 7 a.m. to catch his bus to Prather junior high school and was not affected.

"Pauline got up and was acting silly," Mrs. O'Dell said. "She was weeping and then she passed out. I called her dad and he said she could stay home from school." She attends Central junior high school.

Couldn't Study
"Then I went into the bathroom and saw that Billie was sick. She couldn't stand up. Mrs. O'Dell went to the girl attends McKinley school. O'Dell sent the children upstairs to get some fresh air."

"Then the little one started crying," said Mrs. O'Dell. "I took Joy into the bathroom and she passed out." O'Dell then asked a neighbor to call the fire department.

Pauline O'Dell said the call was not immediately made. Mrs. O'Dell said, because no one realized the true nature of the trouble, the woman then started downstairs to a telephone herself. She said she fell twice on the way down.

Two firemen responded with inhalator equipment. They found the victims groggy but conscious, standing in the doorway downstairs. An ambulance arrived and they were taken to the hospital.

Firemen said there was an odor of gas in the house which they at first thought to be ammonia gas from the refrigerator. It was soon determined, however, that the cause of the trouble was an improperly vented furnace in the basement. The stairwell connects with the basement entrance.

Two other families in the building were not affected. The O'Dell family moved into the furnished apartment Jan. 2. She said the rent is up tomorrow and her family is supposed to move. No accommodations have been found, however.

O'Dell, a concrete worker, had been unemployed since November because of the seasonal cutback in construction work.

4 DAYS WITHOUT TRAFFIC DEATH
The home of Jerry D. Miller, 2107 Dewey avenue, was sacked Tuesday and a transistor radio was stolen.

Police said the thieves entered the apartment through a back door and stole a transistor radio and a radio. She had moved the larger furnishings to 2133 State street, police said.

Hospital Volunteer Workers Honored For 14,900 Hours

AIR POLLUTION STUDY equipment is assembled by U.S. Public Health Service engineers in preparation for installation at the Southwestern Bell Telephone Co. building, 2107 Edison avenue. The unit will be placed in operation tomorrow, with first readings to be made at the end of the month. Engineers are Frank Partee, right, Lowell Ring, project engineers for the Interstate Air Pollution Study.

Volunteer workers who amassed a total of 14,900 hours of service at St. Elizabeth Hospital were honored last night during a recognition assembly in the hospital cafeteria.

The event was sponsored by the Hospital Auxiliary and the hospital staff. A surprise feature was a "capping" ceremony for 15 women, all of whom are persons 15 to 18 years of age with 200 or more hours of volunteer service.

The program opened with remarks by Helen Bergfield, president of the Auxiliary. The presentations were by Sister Mary Thomas, hospital administrator; Mrs. Marietta Daniels, nursing service director; Miss Helen Bloomer, volunteer director, and Mrs. Freda Leaton of the volunteer staff.

The Candy Strippers, both girls and boys, numbered 49 who were recognized for 8600 hours service. A group of 27 Pink Ladies was honored for 6300 hours.

Following the program, refreshments were served. Those receiving the Candy Stripper caps were—

Margie Walker, Mary Jo Brees, Donna Cox, Gary Emick, Elizabeth Pissal, Linda Taylor, Mary Tourse, Dea Youngs, Janice Boyles, Mickey Hoy, Candy Page, Candy Finney, Mary Ragan, Jo Smothers, Judy Stegelmeyer, Carol Waffler and Jackie Watkins.

Two Candy Strippers received 700-hour awards for their efforts—Ricky Copeland and Walter Reumler; while Margie Walker was presented with a 600-hour award.

300-hour awards were given Mary Jo Brees, Donna Cox, Gary Emick, Carolyn Hines, Jean Kolling and Elizabeth Pissal. 200-hour award recipients were Janice Boyles, Mickey Hoy, Candy Page, Candy Finney, Mary Ragan, Jo Smothers, Carol Waffler and Jackie Watkins.

100-hour awards went to Janice Abernathy, Hedy Brinkmeyer, Sharron Clark, Charlene Hall, Margaret Juhan, Sharon Kanner, Cathy Parker, Karen Rogers, Judy Rushing, Diane Schardorf, Diana Weber and Nancy Wigger.

Those honored for 50 hours were David E. Dougherty, Mary Ann Fechte, Leslie Fricker, Vicki Fricker, Barbara Kalpis, Nancy Kukrik, Sandy Parker, Sandra Roberts, Pamela Rozoyke, Barbara Rutkowski, Jeanne Sohlke, Mary Thorne, Joyce Whitale, Linda Ahning and Beverly Long.

600-Hour Pink Ladies
Top recipients of Pink Lady awards were Marjorie Starnes and Mable Gaston, with 600 hours, Charlotte Burris with 500 hours and Irene Argellan, Ella Odum, Grace Hennrich and Freda Leaton with 400 hours.

300-hour awards went to Ronella Kinney, Cecelia Loyet, Mildred Davis and Mary Ann Fechte.

City To Apply Tomorrow For Housing Funds
Granite City's application for \$20,000 federal funds for preliminary plans for a 100-unit expansion of the low-income housing project for the elderly is to be delivered personally tomorrow to the Federal Housing & Home Finance Agency in Chicago.

A resolution, placed on first reading last week authorizing the Granite City Housing Authority to make application, was approved unanimously Monday night by Granite City council members.

The unit will be placed in operation tomorrow, with first readings to be made at the end of the month. Engineers are Frank Partee, right, Lowell Ring, project engineers for the Interstate Air Pollution Study.

The installation here is one of 35 located throughout Madison, St. Clair and Monroe counties in Illinois and St. Louis, St. Charles and Jefferson counties, Mo. The study is intended to determine the amount and primary sources of air pollution.

The unit installed here Tuesday consists of two simple pieces of equipment mounted on a single wooden stand. They are a plastic pal and a vented metal box which will contain a chemical device.

For the study to begin tomorrow, the pal will be filled with a water-alcohol solution to collect dust from the air. A "wick" saturated with lead peroxide will be placed in the metal box to measure sulfur dioxide in the air.

Laboratory Study
At the end of the month, engineers will replace the pal and chemical unit and take those which have been in service to a laboratory for study. Amount of "settled" dirt in the pal will be measured and projected into a square mile figure. Chemical study will show the amount of sulphur dioxide picked up by the other unit.

Frank Partee and Lowell F. Ring, project engineers who installed the equipment, said care is taken in placing the units. To have them directly under a smoke stack, for example, would not provide a fair study, they explained.

Results of the initial six-month survey warrant it, the Interstate Air Pollution Study will be continued for two years. Conducted by the U. S. Public Health Service, it is co-sponsored by state and local agencies.

'Heart Sunday' Adds \$3460 To Fund Drive
Total contributions to the Heart Fund Drive Sunday amounted to \$3460, "Heart Sunday" chairman Alex Duccini said yesterday. Final totals from Madison and Venice are yet to be completed.

Duccini said collections there are expected to total about \$900. Other collections were made during the month amounted to \$850, he said.

"Heart Sunday" collections climaxed the Heart Fund drive which began Feb. 1. Harold Summers, commander of American Legion Post 113, was Quidd City fund chairman.

Last year's Heart Fund drive netted more than \$6000, Duccini said.

Council's Vote Fails To Ok 'Plus' Contract

Resolution Now Needed For Approval Extra Added Fee Noted

A seven-five vote for the \$25,000 extra fee contract for engineering design of a sewage treatment plant was not sufficient for its passage Monday night, Granite City council members are being advised by City Atty. John Gitchoff.

The contract has not yet been signed and a further revision is to be sought. It is likely now that a resolution will be prepared to authorize the signing with at least two readings needed.

While Mayor Davis declared the contract approved Monday night, the legality of the vote was quickly challenged by Alderman Mrs. Gabrielle Berenson and Alderman Donald E. Partee.

They contended a majority of the aldermen selected was needed for such an expenditure, and that would be at least nine "aye" votes.

A study of the contract, Gitchoff said yesterday, proved them to be correct. Gitchoff said state statutes.

Alderman Changes Vote
In Monday night's voting, Alderman Samuel Whitmer switched his "aye" of Jan. 21 to a "no" vote, explaining he had talked to persons in his ward and now agreed the extra \$25,000 preliminary fee for Street Engineers should not be paid, but rather should be included in the regular engineering fees for preliminary work.

Absent Monday night were Alderman Edfrid Bartoski, a member of the Special Emergency Pollution study committee that had recommended Chicago's plan in Jan. 21, and outgoing alderman Charles Meyer.

Bartoski is hospitalized here after undergoing an emergency appendectomy Sunday night. His "aye" vote would make eight favoring the agreement, which would be half of the elected council and give the mayor the right to veto to give the contract the ninth one needed.

The mayor had voted "aye" again Monday night on the theory the council now has only 14 members. However, state law specifies passages of such measures must be based on the number of elected aldermen.

2nd Vote—2nd Challenge
Monday night marked the second time the extra fee contract was brought to a vote. Only to have the action challenged on legal aspects. Atty. Gitchoff said the contract was not yet signed.

It was hastily submitted without being read in full at the 21 council session. The vote was nine-to-four, with Meyer absent. The vote was termed "premature."

Monday night's "aye" votes were reported to have pledged Rufus LeMaster, Estill Van Schmitton, Casmer Skubish, Steve Basarich, Samuel Shackerford and Frank Veiel. "No" votes were by Partee, Paul

Bi-State Board Meeting Delayed: Bonds Planned

Today's scheduled meeting of the Bi-State Development Agency board has been postponed, Granite City Atty. John Gitchoff said yesterday.

Col. Smyser declined comment on published reports that a syndicate of investment bankers plans to submit a proposed contract for the raising of \$10 million in revenue bonds to finance the purchase and initial operation of a unified mass transit system.

An investment underwriter was reported to have predicted Bi-State would be operating the transit system by the end of March. He said the syndicate proposes to pay \$26,500,000 in revenue bonds from Bi-State, financing way for purchase of existing private transit lines.

According to Bi-State plans, revenue bonds would be repaid from operating profits. The bond issue would allow sufficient funds to finance initial period of operation at no profit. No tax funds are involved.

Not 15 bus firms now operating in the two-state metropolitan area and includes the local Community Coach Co.

Heart Attack Fatal To 'Jake' McWhorter, 53

Jesse "Jake" McWhorter, 53, of 2667 Highway 67a, was dead on arrival at St. Elizabeth Hospital at 2:15 a.m. Tuesday after he was stricken by a heart attack at home.

Mrs. McWhorter said her husband had been ill with a heart ailment for three months, and was under medical care. He was stricken Tuesday morning in his sleep.

A self-employed trucker, Mr. McWhorter came to this community 11 years ago from St. Louis. He was born in Hickman county, Ky.

He was a member of the Pentecostal Church of God, and belonged to St. Louis Local 682 of the Teamsters and Chauffeurs Union.

Survivors in addition to his wife, Mildred, include three sons, Donald of St. Louis and Jack and Guy Henry McWhorter at home; two daughters, Mrs. James (Lillian) Stack and Mrs. James (Barbara) Lindsay, Granite City; a brother, Cletus, Paducah, Ky.; five sisters, Mrs. Annie Nail and Mrs. Edna Martin, Clinton, Ky.; Miss Eileen McWhorter, Frankfort, Ky.; Mrs. Lena Johnson, St. Louis and Mrs. Ethel Crause of East Alton; and five grandchildren.

Funeral services were conducted this afternoon at the Pentecostal Church of God, with interment in Sunset Hill Cemetery.

An obituary notice appears elsewhere in this issue.

Mrs. Florence Vaughan Dies; Native of Wales

Mrs. Florence M. Vaughan, 91, of 2613 Iowa street, died at 6:40 a.m. Tuesday at St. Elizabeth Hospital. She had been a patient there six days.

Born at Blaenau, South Wales, Mrs. Vaughan came to Granite City in 1922. She had made her home for the past 18 years with her son-in-law and daughter, Granite City Police Lt. and Mrs. Paul Moore.

Mrs. Vaughan attended the First United Presbyterian Church.

Survivors, in addition to her daughter, include two sons, Harry, Chicago, and Edgar of Buffalo, N. Y.; three sisters, Mrs. Agnes Jones, Granite City, Mrs. Sallie Williams of Moneysville, Saskatchewan, Canada, and Mrs. Miriam Kison of Fellsboro, Suffolk, England; five grandchildren and eight great-grandchildren.

Mrs. Vaughan was preceded in death in 1920 by her husband, James.

Funeral services were conducted this afternoon at a Granite City funeral home, with interment in Sunset Hill Cemetery.

An obituary notice appears elsewhere in this issue.

Harry H. Nelson Sr. Succumbs At Age 74

Harry H. Nelson Sr., 2416 Edison avenue, died at 1:45 p.m. Monday at Deaconess Hospital, St. Louis, at 74. He had been ill with a heart ailment 10 days, and hospitalized six days.

Mr. Nelson was a retired electrical foreman for the Nesco Co., for which he worked 29 years. Born in Bond county, he had been a resident of Granite City for 38 years. He came here from Fillmore, Ill.

He was a member of the Christian Church at Woburn, Ill.

Survivors include his wife, Kathryn; two sons, Harry II, Nelson Jr., Granite City, who is assistant vice-president at the First Granite City National Bank, and Gene L. Nelson of Webster Groves, Mo.; a sister, Miss Birdie Nelson, Greenville; and five grandchildren.

Funeral services were conducted yesterday at the Greenville Christian Church, with interment at Fillmore.

An obituary notice appears elsewhere in this issue.

Congressional Action Committee To Meet

The Congressional Action committee of the Tri-Cities Chamber of Commerce will meet at noon Monday at the Elks Club, Chairman Sam L. Meyer has announced.

The meeting will feature subcommittee reports on pending national legislation.

Accident At Intersection

Autos driven by Alta L. Wilson, 30, of 2612 Lincoln avenue, and Robert Vesper, 30, of 203 Kirkpatrick Homes, collided at East 23rd and Hall streets about 3:35 p.m. Tuesday. Police said Vesper was driving east on 23rd, and the other driver was traveling south on Hall.

Warriors Off to Champaign And Prep Wrestling Finals

Bouts Begin Friday With Waukegan As Favored Team

Seven wrestlers carried with them Granite City high school's long shot hopes of capturing its first state prep wrestling title as the Warrior contingent departed at noon today for Champaign and on Friday and Saturday.

Pekin, which has never won a state title, will have nine matmen in the finals, but the role of the pre-mat favorite belongs to Waukegan, the only club to defeat GCIS in dual meet competition this season and one which will be represented by eight wrestlers off an unbeaten team.

Also rates as possible title contenders are Hixson and Tilden Tech of Chicago and Elgin East of Maywood, each with six in the finals, and defending champion Oak Lawn Revere with three in the finals.

Second In 1957

Granite City, which annually brings the strongest downtown competition to the tournament, had its best finish in 1957, when the Warriors were runners-up under Coach Bill Schmitt.

Schmitt, javayee wrestling coach Larry Burkhart, athletic director Dick Yates and student trainer Kenny Huber were also in the auto caravan which left the GCIS gym at noon today.

Wrestlers Paul Lapinski (95), Rich Bledsoe (103), Skip McMillan (112), Tom Vasileff (127), Larry Reynolds (133), Denny Petroff (155) and Gary Forshee (180), who all won state finals berths by winning or finishing second in the Wood River sectionals last week, will be quartered overnight at the Lincoln Lodge motel in Champaign as Schmitt attempts to provide a full night's rest for his crew in

advance of Friday afternoon's first round bouts.

Petroff Ailing

Several of the GC wrestlers can probably use the rest. Petroff virtually got up out of a sick bed to make the trip after missing most of his class this week with a virus infection. McMillan and Reynolds had touches of a similar ailment earlier in the week, but appear to have regained full strength. Schmitt said. None of GC's contenders had any weight problems as of yesterday. Weigh-ins begin at 8 a.m. tomorrow.

Friday afternoon first round bouts will be followed at 7 p.m. by the quarterfinals. Semifinals are at 10 a.m. Saturday and the championship bouts will commence at 3 p.m.

89 Schools Represented

Sixteen wrestlers will compete in each of the 12 weight classes, and a total of 232 bouts will be wrestled during the tournament. All told, 89 Illinois high schools are represented by one or more wrestlers. East St. Louis has four in the finals, and Belleville and Edwardsville one each.

Two 1962 individual champions are back to defend their titles. Don Behm of New Trier will wrestle at 120 pounds and George McCreery of Palatine at 154.

Schmitt has one important duty to perform before the finals begin. He has served as chairman of the IHSAA state wrestling committee for the past two years, but his term is expiring and he cannot succeed himself. He will preside over a meeting in Urbana tonight during which his successor will be selected.

The Granite City contingent will remain in Champaign overnight Saturday, being quartered in fraternity houses on the University of Illinois campus. The squad is due back here sometime Sunday afternoon.

Venice-Lincoln District Match Tonight; Lovejoy Is Winner, Plays Marquette

Venice and Lincoln will meet for the first and last time this season in a semifinal round of the Venice IHSAA district basketball tournament tonight at 7 o'clock at the VHS gymnasium.

Defending tournament champions, the Rams bring in a 6-15 record into the game, while Venice is 10-13.

At 8:30 tonight, top-seeded Marquette of Alton (14-6) will oppose Lovejoy of Brooklyn, 73-58 conqueror of Western Military in the only first-round game played last night.

Tonight's winners qualify for Friday's 8 p.m. title game, while the district trophy winner moves on to the Granite City regional next week to meet Madison in a Monday night game.

Lovejoy, getting fine balance, broke away from Western Military in the second period and added its lead to 21-79, Western 12 15 15 16-48.

Score by quarters:

Lovejoy 12 15 15 16-48

\$5000 For Park District Repairs, New Equipment

The Granite City park board approved expenditures totaling more than \$5000 last night for maintenance and repair of park district property and the purchase of new equipment for concession stands and playgrounds.

Largest single planned expenditure is an estimated \$225 to cover resurfacing of the Wilson Park tennis courts and the purchase of new equipment for the surrounding tennis courts.

A lone bid of \$1181 by the Midwest Floor Co. of East St. Louis was accepted for the tiling of all floors at the park's community center, except the gymnasium.

Playground equipment purchases and repair costs of \$1836 were approved. The playground installations will be at Wilson Park, the community center, Tri-City Park and Maryland Place, and include swings, bicycle racks, basketball backboards, slides and merry-go-rounds.

The purchase of two electric popcorn machines for concession stands, at a cost of \$300 each, also were approved by park commissioners.

In other action, the commission approved March 15 as the date for the third annual square dance festival at the Granite City high school gymnasium, and April 6 as the date for a girl's bowling banquet at the community center.

The board also voted to continue support and sponsorship of a Class AA softball team, and approved bills for January totaling \$3218 and salaries totaling \$4145, including \$2347 in wages for baseball referees, instructors and scorers.

Seventy-five new trash barrels, painted red, white and blue, are to be placed in various locations about Wilson Park.

WMS REVIEWS

MISSION DOCKETS
The Woman's Missionary Society of Second Baptist Church met Monday evening for a study of a home mission tract, "The Chains are Strong." Mrs. Maxine Dacus reviewed the book. A filmstrip, "Under Shadow of Steel," was shown by Miss Letta Miller.

A 6 o'clock supper preceded the study.
Those present for the evening were Mrs. Lavern Fennell, Mrs. Esther Showers, Mrs. Betty Lewis and daughter, Gail, Mrs. Helen Wigger, Mrs. Eleanor Cook, Mrs. Lena Stephens, Mrs. Georgia Mitchell, Mrs. Alice Hoffman, Mrs. Mildred Garin, Mrs. Ursel Woodard, Mrs. Lillian Miller, Mrs. Melva Roberts, Mrs. Mary Charlton, Mrs. Nellie L. Dugan, Mrs. Elsie Sturdivant, Mrs. Mina Duggins, Mrs. Retta Fawcett, Mrs. Charlene Sanders and children, Nancy and Norman, Mrs. Lucille Thomason and Mrs. Ruby Mayberry.

WORLD FRIEND SUNBEAMS FINISH MISSION STUDY

World Friends Sunbeams of Second Baptist Church held the final session of a book study, "The Happy House," Tuesday afternoon and completed their individual handwork for the month. Miss Evelyn Barnes, leader, told the fifth chapter of the book after a circle of prayer. Bible verses were studied and the Bible story was discussed. Each child received a small Christian flag, after an explanation of its meaning by the leader. Pins for perfect attendance throughout the book study were given to Conita Burdett, Patti Fox, Sandra Wimshish, Dean Olive and Frances Welty. The closing prayer was by Danny Bugg.

Ice cream bars were served to those mentioned and Mike Reynolds, Bobby McCord, Lana Lapidus, Jeanette Kelly, Linda Lindsey and John Baker.

JUNIOR GIRLS AUXILIARY MEETS

Several phases of the Girls' Auxiliary were discussed at a regular Tuesday afternoon meeting of the Vivian Wilson-Frances Diaz Junior GA in Second Baptist Church this week. "Forward Steps" were studied, and plans were made for "Focus Week," a St. Patrick's Day party and attendance at the church of the Vivian Wilson-Frances Diaz Junior GA in Second Baptist Church this week.

"Forward Steps" were studied, and plans were made for "Focus Week," a St. Patrick's Day party and attendance at the church of the Vivian Wilson-Frances Diaz Junior GA in Second Baptist Church this week.

The GA hymn was sung and there was prayer by one of the leaders, Mrs. Eleanor Cook, and Shelly Ford.

PRIMARY GROUP MEETS

Peter Chen Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church to complete a five-week study of home missions. Mrs. Betty Lewis, and Mrs. Beverly Crown, assistant leader, led the group in making a 15-foot-long mural of a typical Goodwill Center and street.

Each one of them made individual pictures of a center and of things they enjoyed in the story, "The Happy House." Plans were made to visit the East St. Louis Goodwill Center in March. Perfect attendance buttons from the WMU were presented to those who had not missed a meeting since the end of January.

Ice cream bars and cookies were served to the group and prayer was offered by Mrs. Lewis and Debbie Withers. Mrs. Lewis told two stories and led a Bible quiz.

Others present were Carla Lupatius, Glenda Wells, Johnny Snider, Donna Epperson, Gary and Gail Lewis, Bradley Crown, Cathy and Larry Anderson.

'More Than Conquerors'

World Day Of Prayer Service At 7:30 Tomorrow Evening

Friday will be World Day of Prayer in the Quad-Cities with a special service to be held at 7:30 p.m. in the Nameoki Presbyterian Church, sponsored by the Quad-City Council of Church Women.

Rev. Frank Pierce, pastor of the Nameoki Methodist Church, will be the speaker, and his topic will be "More Than Conquerors." The theme is the same for the nation-wide observance on the 76th anniversary of the special day.

In addition, prayer services are to be conducted during the day at the 17 member churches of the Council of Church Women.

The local group is one of 2300 councils throughout the country. Special music for tomorrow evening's service will be furnished by the Bethel A.M.E. Church chorus directed by Charles Boatner. The soloist, Grollia Wright, will sing "The Holy Spirit."

Rev. B. L. Bryan, pastor of the Good Shepherd Evangelical United Brethren Church will give the closing prayer. A special prayer will be given by Mrs. Kenneth Gregory.

A memorial prayer for the late Rev. Howard L. Lucas, pastor of the First Presbyterian Church in Madison, who died Jan. 19, will be given by Mrs. Wayne Young, president of the Quad-City Council of Church Women.

Organ music will be by Miss Delores Fisher of the host church. Mrs. Robert Boston is chairman for the Day of Prayer service.

Others will be Mrs. Shirley Guest of Bethel A.M.E. Church, Mrs. Luan Briner of Nameoki Methodist Church, Mrs. Louise Thompson of Nameoki Presbyterian Church, Mrs. Jean Johnson of Trinity Methodist Church and Mrs. Paul Lampe of St. Peter Evangelical & Reformed Church.

Science Fair Exhibit Opens Here Tomorrow

Central Junior high school's third annual student science fair will open at noon tomorrow at the Granite City public library, where it will run through next week.

On display will be exhibits by sixth through eighth grade students from Granite City public and parochial schools. Entries are limited to the fields of biology, conservation, physics, engineering and physiology.

The public may use the 20th street library entrance to view the exhibits, which will be shown from 9 a.m. to 5:30 p.m. Top projects will be eligible for entry in pre-elimination competition for the Greater St. Louis Science Fair, scheduled April 18-26 at the Washington University field house.

Judges for the Granite City exhibit will be George W. Reeves of the First Granite City National Bank, Lt. Col. William Gandy, Army Depot, and E. R. Applegate of Illinois Power Co.

Weed Fire Tuesday

Firemen from the West Granite station answered an alarm at 3:20 p.m. Tuesday to the home of Woodward Dillard, 2815 Harding blvd. Fire spread in the backyard and lot next door from burning trash, fireman said. There was no damage.

Gwenn Olive, Bradley and Phillip Fitzhugh, Margaret Yates, Theresa Gillham, Allen Newberry, Dennis Reynolds, Debbie Withers, Connie Lindsey, and visitors Cynthia Wimshish, Glenda Lindsey, Kevin, Bruce and Kathy Crown and a new member, Cindy Baker.

\$40,000 Needed To Establish Museum

A budget of \$40,000 is needed to make the proposed new Madison County Historical Museum an actuality, according to Mrs. Stephen R. Stimson Jr. of Edwardsville, co-chairman of the museum committee.

The Madison County Historical Society, which operates the museum, will have approximately \$6000 from proceeds of last year's county sesquicentennial bazaar for purchase of a museum home, she said. The committee hopes the remaining \$34,000 will be contributed.

A proposal to establish the museum in a permanent home was made public by the committee last November. The committee hopes to buy an old home in Edwardsville to house the museum, now located in the county courthouse.

Income Tax Assistance At City Hall In GC

The Internal Revenue Service will continue to assist persons with federal income tax forms from 9 a.m. to 4 p.m. each Friday through April 12 and on Monday, April 15, the last day for filing.

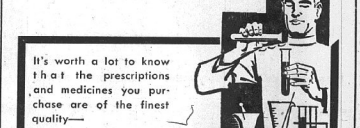

A representative of the IRS office at East St. Louis will be on duty in the council room on the second floor of the city hall in Granite City. No telephone service is offered.

Growth Plan For 2 Counties

Legislation To Create SW Commission Pending

Legislation to create the Commission for Madison and St. Clair counties should be ready for presentation to the General Assembly in about two weeks, it was learned from the study group chairman, Sen. Paul Simon of Troy.
The Planning Commission was organized by the state to coordinate growth planning in the two counties and co-operate with state, county and local governments.
The legislation would set up study groups for specific pro-grams, such as conservation and culture. The legislation is being based on 11 subcommittees.
Simon said the study group probably will meet with Gov. Kerner at the time the findings are presented.

Collections of Five Justices Total \$5522

Four of Madison county's five Justices of the peace collected costs, fines and fees totaling \$5522 during January, according to the report of John L. Kray-nak, county auditor.
Kraynak said the report did not include figures from Harry Hartman of Granite City, whose report was late because of his recent illness and hos-pitalization.
Of collections included in Kraynak's report, \$3001 was costs paid to the county, \$1819 was fines and fees paid to the state's attorney's office, \$437 was fines paid to the state and \$265 was fines paid to various cities.

Tickets For Motorists With One License Plate

Arrest tickets will be issued, beginning Friday, to Illinois motorists displaying only one state license plate on their ve-hicles, according to the office of Secretary of State Charles F. Carpenter.

Automobile investigators from Carpenter's office and state police have been giving warning notices to motorists displaying only one plate, bringing to their attention the requirements of the law and advising them how to replace stolen, lost or dam-aged plates.

City To Keep Closer Watch On Bid 'Specs'

A closer watch on bid specifi-cations and how they are met by bidders was ordered Monday night by Granite City council members who voted to pay for two street department dump trucks delivered in January.
The payment of \$6396 to Matthews Chevrolet Co. was approved by a vote of nine to three.

Alderman Estill Von Schmit-tou, chairman of the Street com-mittee, told council members the committee assumed the specifi-cations had been met when the bids were turned over to it by the comptroller, and that the members were unaware of the cylinder cubic inch displacement.
Aldermen Samuel Whitmer and Donald Jarney stressed that because of the specifi-cations, at least two other dealers had been asked to supply trucks, which increased their bids by \$176 to \$222 and put them over the low bid accepted for six-cylinder trucks. The number of cylinders was not specified.
In the voting, opposition was by Aldermen Farley, Rutledge and Skubish. Voting for the payment were Von, LeMaster, Schmittou, Skubish, Whitmer, Basarich, Mrs. Betine, Shackel-ton and Vesel.

Stop Sign Violation

Clifford D. Matlock, Naperville, Mo., forfeited \$10 cash bond Monday night after being arrested that afternoon for care-less driving in Venice. Police charged that he passed a stop sign at Fourth street and Broad-way.

Kiwanians Hear About Telstar Satellite

Paul D. Stout, manager of the Granite City office of South-western Bell Telephone Co., was the guest speaker at the Ki-awan club Monday night. He spoke about Telstar, the com-munications satellite that was launched last July 10 and has been circling the earth every two hours and 40 minutes since.

In the 55 years between 1927 and 1962, overseas telephone calls made from the United States increased from 11,000 to 4,000,000. Stout said his com-pany predicts 100,000,000 will be made in 1980.
Transmission facilities for telephone and television com-munications, therefore, will run into the problem of not having enough cables or towers to handle the traffic. The problem can be solved, he said, by literally making a tower fly, by boosting it into orbit as a satel-lite.

Actually, a network consisting of several satellites, Stout ex-plaind, would be used since the signals will not bend with the curvature of the earth but must be transmitted along the line of sight. Telstar, the first satellite of its kind ever launched, showed the plan to be feasible. Di-rect television communications were made for the first time in history with European countries in July.

A second U. S. com-munications satellite failed to function, but others will be launched until complete satisfaction is attained. Stout said, Telstar was affected by radiation, he said, and the next satellite launched will be corrected for this.
Stout showed a movie on Tel-star and conducted a questions and answers period afterward. The film, made by the Bell Sys-tem, was narrated by Howard K. Smith.
Twenty Kiwanians attended the meeting at the Elks' club.

Lucerne Festival Strings In Concert Here Sunday

The second chamber music ensemble to perform at a Tri-City Community Concert Association program in two years will appear here Sunday night.

The 15-piece Lucerne Festival Strings, directed by Concertmaster Rudolf Baumgartner, will present a program of classic and contemporary chamber music at 8 o'clock in the Granite City high school auditorium.

A young group, both in origin and age of members, the Lucerne Strings will present a concert ranging from the classic compositions of Bach, Handel, Vivaldi and Mozart to the contemporary works of Bartok, Bloch, Hindemith and Martinu.

Admission to the concert is by association membership card. The ensemble is currently making its second tour of the American continent. Baumgartner, who was instrumental in organizing the strings, directs from his concertmaster's desk in true chamber orchestra fashion.

The group, 10 men and three women who are alumni of the Lucerne Conservatory masters classes of Prof. Wolfgang Schneiderhan, is composed of seven violins, two violas, two cellos, one bass and one combob.

Its members lend an international flavoring to the Lucerne Strings, coming from Germany, Italy, Sweden, Switzerland, Canada and France.

Organized in 1954
First organized to participate in the 1956 Lucerne International Music Festival, the ensemble has appeared also at the Salzburg, Prades, Edinburgh and

Engelne festivals and has toured Europe extensively. Baumgartner, a native of Zurich, has been a member of the Lucerne conservatory faculty since 1950, where he teaches chamber music courses and assists Prof. Schneiderhan in the masters classes. A promising musician, he has edited the works of J. S. Bach.

The ensemble's appearance in place of a scheduled concert by pianist Alec Templeton, whose concert tour has been canceled due to Mr. Templeton's illness.

The last of three community concert programs is scheduled here on Monday, April 1, when baritone Bernard Izzo will appear in concert.

Concert association members may also attend programs presented by the Tri-City association's counterparts in Alton and Belleville.

The American Jazz Ensemble will appear at the Alton high school on March 6 and the Karstad Choral on March 27.

The Don Cossack Chorus and Dancers are scheduled in Belleville on March 14 and the New York Brass Quintet will follow on March 24.

Social Security Film Strip Shown To Rotary

William Hoedebecke, president of the local life underwriters group, presented a slide-narrative program Tuesday to the Granite City Rotary club entitled "Can We Have Sound Social Security?"

The film strip was made only recently by the National Association of Life Underwriters in Washington, D.C. It calls attention to the danger of financial instability in the Social Security system if the program is further expanded or liberalized.

The nominating committee presented its list of candidates for election as club officers. The candidates nominated are James Lewis, president; Albert Froelich, first vice-president; Gerald Broadway, second vice-president; Ray Ruff, secretary; Harlan Dobry, assistant secretary; Charles Austin, treasurer; Donald Hayes, sergeant-at-arms; Mel Thompson, assistant sergeant-at-arms; and William Thioke, Dan House and Christ Pashoff, directors.

Announcement was made that the club approved the purchase of an operating lamp for the new dental room at St. Elizabeth Hospital at a cost of \$875. The money will come from funds raised through the Rotary horse shows.

Shaw Comedy Saturday At SIU Center

A noted drama group, the Canadian Players, will present George Bernard Shaw's comedy, "Arms and the Man," at Southeastern Illinois University's East St. Louis Center Saturday.

Scheduled curtain time is 8:15 p.m. in the center auditorium, Ninth and Ohio streets. The performance is free to the public.

LODGE TO ENTERTAIN DISTRICT OFFICERS

Mrs. June Mowery, noble grand, presided over a regular meeting of Delray Rebekah Lodge 786 Tuesday evening. The meeting was held at the Old Fellows hall in Madison, with 15 members responding to roll call.

Final arrangements were made for entertaining district officers March 12 in the hall.

Mrs. Carrie Gresham, Mrs. Ruth Hannebrink and Mrs. Mowery will serve on a committee to visit at the Madison Nursing Home March 7.

Tom Friend opened a regular meeting of cub scouts of Den Three of St. Mary's Monday after school with the pledge of allegiance to the flag. The members sang "America."

The boys made book markers out of green felt in honor of St. Patrick's Day. Theme for March is "Study of the United States."

The group read and discussed nature and travel. Goodwill bags were given out to the boys, who will leave them at various homes to be filled with used clothing. Games were played, with the closing led by Richard Kierski. The club formed a living circle and gave the cub scout promise. Other boys at the home of the leader, Mrs. Anthony Ratkiewicz, 1608 Fifth street, were Kevin McGarran, Kenneth Bonk, Kevin McIlroy, Stanley Lapinski and the den chief, Arthur Ratkiewicz.

Mrs. Fouke To Retire; 3 Hired By GC Schools

Mrs. Mabel Fouke, 2043 Edison avenue, will retire March 8 after more than 35 years as a matron on the custodial staff at Granite City high school.

The announcement was made at Tuesday night's school board meeting by Supt. Harold M. Kaiser, who commended her for her wholesome influence on students she has come in contact with during service at the school since 1927.

While eligible to continue working through the end of this term, Mrs. Fouke asked to complete her work March 8. Approval was given by the board which accepted the resignation of Albert Batson, 2908 Forest avenue, as a custodian at Central Junior high school. Hired last July, Batson is accepting another position.

The board hired two teachers and a custodian Tuesday night.

New Teachers
Elementary school teaching assignments will be given to Miss Nancy Lee McManaway, Madison, who is receiving a bachelor's degree from Southern Illinois University this year, and Miss Joyce E. LaPlant, St. Louis, who will receive a bachelor's degree from the Southeast Missouri State College this year.

They will begin their duties here next September.

William L. Littlejohn, 2453 Missouri avenue, was employed as an assistant custodian at Central school effective March 1. He is a lifelong Granite City resident.

The board designated one of its members, Daniel Linden, as acting secretary for the first hour of filing for school board "prolonged additional time" required of custodians "by reason of an emergency arising out of exceptionally inclement weather or otherwise."

Weather Emergency Pay
The board authorized the superintendent to provide additional help or compensation for "prolonged additional time" required of custodians "by reason of an emergency arising out of exceptionally inclement weather or otherwise."

In this connection, a Central custodian is to be paid for three extra hours of work and a Stalling custodian for one extra hour, necessitated by early operation of the school furnace on below-zero mornings.

A resolution approved by both the board and custodians' union, Building Service Employees Local 88, noted that such additional payments will not be deemed a "preference or showing of partiality" and any refusal to pay shall not be deemed to be grounds for any grievance by said local.

The superintendent is to define emergencies and prolonged hours, with any such payments appearing on the next following school board bill list.

The REA Cooperatives... OUR CONCERN! ...and yours, too!

Illinois Power Company is deeply concerned about the efforts of the REA cooperatives to establish themselves as unregulated monopolies in certain areas of Illinois.

We believe that every citizen who knows the facts will be concerned, too—and will stand with us against this encroachment on basic American principles.

Briefly, the situation is this:

The REA cooperatives realize that their job of bringing electric service to thinly populated rural areas has been completed. With the aid of your tax money, that was accomplished long ago. Now they want to serve in cities, towns, and industrial areas—with the aid of tax exemptions and tax subsidies, of course. In other words, with your money.

They are now circulating proposed legislation among your elected repre-

sentatives. This would grant them exclusive and perpetual rights to service certain areas. It would give them monopolies on electric service. They call this "territorial integrity."

Here is the catch. This legislation would also prohibit regulation by the Illinois Commerce Commission, to which Illinois Power Company and other investor-owned, tax-paying utilities are responsible.

In short, this legislation, if passed, would make them unregulated monopolies, responsible to no local or state authority.

We do not believe this would be in our interest or your interest.

We hope that every citizen and legislator will get all the facts about this REA government power lobby group—one of the most powerful in the state and the nation.

ILLINOIS POWER COMPANY

Illinois Power, Other Firms In \$192,000,000 Expansion

Plans for the completion of a multi-million dollar, extra-high-voltage interconnected system of transmission lines across Illinois by 1970 were announced today by three investor-owned electric companies which compose the Illinois-Missouri power pool. Included would be a 345,000-volt line connecting the St. Louis station with a plant at Coffeen.

The three companies planning the huge expansion project are Illinois Power Co., Central Illinois Public Service Co. and Union Electric Co. of St. Louis. They provide electric service for nearly 1,200,000 residential, commercial, industrial and farm customers.

Illinois Power Co. is now constructing 30 miles of 345,000-volt transmission line from a point in Indiana to connect with its system near Sidney, Ill. This is the first step in a 250-mile line which is expected to be completed across Illinois by 1970.

The new 345,000-volt transmission line will provide an extra-high-voltage link between the Illinois-Missouri pool and the American Electric Power System which extends through Indiana, Michigan, Ohio, Virginia, West Virginia, Kentucky and Tennessee. They also will interconnect on the west with a recently announced 345,000-volt system planned by Union Electric and other investor-owned electric companies in Missouri, Iowa and Minnesota, terminating in Minneapolis.

The new lines will provide a "backbone" of extra high-voltage lines over which large blocks of power can be exchanged by the individual electric systems of CIPS, Illinois and Union Electric. Present maximum voltage of the companies' transmission lines is 250,000 Volts.

For the past ten years, the power plants and transmission lines of the three companies have been integrated into a power pool. In turn, each of the companies has connections with neighboring companies so that power now flows frequently through most of the states east of the Rocky Mountains, with a total generating capacity of more than 100 million kilowatts. Preliminary work on two new power stations which are also involved in the project is already underway.

Other Expansions
CIPS is now constructing a 365,000-kilowatt generating unit at a new station near Coffeen in Montgomery county. This unit is scheduled to go into operation in 1965. The Coffeen station eventually will have a capacity of more than 1,000,000 kilowatts. Union Electric will complete a 325,000-kilowatt generating unit at its Sioux station north of St. Louis in 1966. A second 325,000-kilowatt unit is expected to go into operation at Sioux in 1968. The station eventually will have a capacity in excess of 2,000,000 kilowatts.

In a joint announcement, the three companies said the construction of such an extra-high-voltage system has been under consideration for several years.

They pointed out that there has been a tremendous increase in the use of electricity in recent years throughout their service areas.

Build Ahead Of Requirements
This new 345,000-volt interconnected system is another way in which we plan ahead and build ahead of the requirements of our customers," the companies said.

"Joint planning by members of the Illinois-Missouri pool already has made it possible to add to the overall generating capacity with larger and more efficient units; eliminated expensive duplication of unnecessary reserve generating facilities and assured sources of a continued source of electric power in the event of an emergency. This has insured dependable service for our customers and has helped us maintain low electric rates in the face of rising costs of operations."

11-State Link

Ainad Shrine Officer Presentation Saturday

Potential-elect Lloyd E. Turnbull of Salem will present members of the new Divan of Ainad Shrine to Shrine nobility at a ladies' night program Saturday at 7:30 p.m. at the Ainad temple, 609 St. Louis avenue, East St. Louis.

Ceremonies will be followed by a stage show presenting professional talent from Salem. Theme of the show will be "My Home Town—In Living Color."

The program will open with a presentation of officers of the Ainad Divan and their ladies. The officers include Turnbull, Chief; Rabban Wyatt Rawlings of Lebanon, Assistant; Rabban Francis D. Conner of Belleville, High Priest; and Prophet Morris E. McLean of Belleville, Oriental Guide. Carson W. Rodgers of Cairo, First Steward; and Roy L. Wilimzig Jr. of Granite City, Director. Harry L. Blue of East St. Louis, Marshal; Edward G. Maag of East St. Louis, Captain of the Guard; Charles H. Wagner of Belleville, Treasurer; J. William Harrington of Belleville and Chaplain Clarence V. Tolley of O'Fallon.

neeling its Pana station with the company's new Coffeen power station in Montgomery county. Also in 1965, CIPS will build a 345,000-volt line eastward to a new substation the company will build east of Ramsey in Fayette county.

Here is how the remainder of the extra-high-voltage system would be extended by 1970:

A transmission line would be constructed from the CIPS substation at Sidney southwest to an Illinois Power substation near Boddy, Ill. The line would then south to the CIPS substation at Pana in Christian county.

Work At Stalling
The Coffeen power station would be connected by another 345,000-volt transmission line south to an Illinois Power substation near Stalling in Madison county.

The Stalling substation would be linked to the company's new Sioux power station north of St. Louis and south to the company's existing, Chicago power station in St. Clair county.

Further "beefing up" of the 345,000-volt system in Illinois is planned between 1970 and 1980 through the construction of additional transmission lines, interconnecting units and other facilities as the need for them arises.

The Illinois-Missouri pool expects to have the 345,000-volt interconnections westward to the Kansas City power and Light Co. system and south to the Arkansas Power and Light Co. system by 1980.

School Truck Motor Replacement Planned

Replacement of a school dump truck motor with a rebuilt motor was considered Tuesday night by the Granite City school board, which deferred action until bids can be obtained on a new motor for the 1954 eight-cylinder vehicle.

Low bid on the rebuilt motor was \$358 from Carver's Cities Service, and the highest of five others was \$484. Board Member Ralph Buske cited past repair costs and said rebuilt motors often fail to prove satisfactory.

A \$61 payment to Mullens Septic Tank Service was authorized for emergency pumping at Stallings grade school when the septic tank overflowed Feb. 19. The firm pumped 950 gallons in three and a half truck loads.

It was noted that the septic system usually works well but that frost is deeper in the ground than normal and apparently is preventing water from seeping into the ground. Penetration was estimated at 30 inches.

Bids were opened on printed forms and are scheduled to arrive between on March 7 for a two-day stay," Gibson said.

From London, Gibson and party will go to Brussels, Belgium, for a March 10-12 briefing.

Col. Mercer Enroute To Battle Creek, Mich.
Col. Franklin Mercer of Mercer Funeral Home was in Granite City Tuesday and Wednesday enroute from San Antonio, Tex., to Battle Creek, Mich., where he will have a new assignment as deputy commander of the newly formed Defense Logistics Service Center.

Col. Mercer, who has been in San Antonio for the past two years, will be joined by his family at Battle Creek. His wife, the former Miss Genevieve Fijan and sons, Daniel, 15, and Michael nine years old, are there. Mrs. Mercer is the daughter of Frank Fijan.

The Mercer's oldest son, Lt. Francis E. Mercer, will leave for Japan on an assignment in April for an assignment in Japan. One daughter, Mrs. Bart (Carol) Yeager, resides at Arlington, Va., and another, Mrs. Pat (Susan) Drewett, is a senior at Auburn University, Auburn, Ala.

These services and discussions are open to all who would like to learn about the Eastern Orthodox Faith," Fr. Theodosius said.
The regular liturgical cycle of services is as follows: Saturday: Divine Liturgy 9 a.m.; Great Vespers at 7 p.m.; Sunday: Church school 9 a.m.; Divine Liturgy at 10 a.m.; Great Vespers at 7 p.m.

Gibson Gets Itinerary For NATO Trip To Europe

A detailed itinerary for his trip to Europe next week for the third North Atlantic Treaty Organizations Conference of Young Political Leaders has been received by Robert Gibson, who will be one of 10 Americans to attend.

Gibson, who lives at 2826 Nantoni road and is national treasurer of the Young Democratic Clubs of America, plans to leave Monday for Washington, D.C., where he and four other young Democrats and five young Republicans will meet with President Kennedy. They also will take part in a two-day briefing session with State Department officials.

The American delegates will be joined by seven Canadians in New York City. In Europe they will confer with the heads of governments of the NATO countries in conjunction with the conference, which is to be held in Bonn, Germany.

"We'll leave next Wednesday for London and are scheduled to arrive there on March 7 for a two-day stay," Gibson said.

From London, Gibson and party will go to Brussels, Belgium, for a March 10-12 briefing.

Steve Segedy, 55, of 2917 Indiana avenue died at 3:15 p.m. Tuesday at Jewish Hospital, St. Louis, after a four-year illness. He had been at the hospital nine days.

Mr. Segedy retired in 1959 from the American Steel Foundries, where he worked 32 years as a welder. Born in Hungary, he had lived 25 years in Granite City and previously in Madison.

He belonged to the First United Presbyterian Church, and was a member of Local 1083, United Steelworkers of America, and the American Steel Foundries 25 Year Club.

Survivors include his wife, Roselee; two sons, Harry, Carbondale, and Steve, at home; two daughters, Nancy, at home, and Mrs. Fred (Lucille) Fritsch, Granite City; and one grandchild.

Funeral arrangements appear in the obituary column.

Todoroff, Alassi Named To Phi Delta Kappa

Another honor has been accorded Robert D. Todoroff, Coolidge junior high school band director, who has just received the 1962 Associated Retailers' Civic Achievement Award and the Jaycees' Outstanding Young Man of the Year award.

Todoroff and Eugene Alassi, Granite City school district art director, have been formally invited to become members of the Phi Delta Kappa fraternity, it was announced yesterday. Membership invitations are limited to career educators of graduate rank who have proven themselves as educational leaders through their records of outstanding service. The Phi Delta Kappa goal is the promotion and improvement of public education.

Initiation ceremonies are expected to be held March 8.

GCJHS Latin American Ensembles To Perform

The Coolidge junior high school Latin American Ensembles, directed by Robert Todoroff, will play at half-time Sunday at a benefit basketball game in East St. Louis.

The St. Louis Cardinals football team will play the Jaycees All-Stars basketball team beginning at 2:30 at Eastside senior high school.

The game is sponsored by the East St. Louis Junior Chamber of Commerce. Proceeds will be used to send retarded children to summer camp.

No Damage Due To Three Grass Fires

No damage resulted from three grass fires handled by the firemen of the Nameoki station. The first was at 2713 Sunset drive, the home of Wayne Scanlon, about 2 p.m. Tuesday. About 2:50 p.m. Wednesday a work to \$30,000 to \$40,000, rubbish fire spread in the back yard of Dawson Wade, 3314 Wabash avenue. The third was in an empty lot at Lydia line and Clark avenue about 4 p.m. Wednesday.

Council Vote Fails To Ok

(Continued from Page 1.)

Rutledge, Whitmer, Mrs. Betine and Ford Johnson. Monday night, council members were accused of ignoring the advice of City Engineer David Johnson and going to other engineers.

Extras Omit \$25,000

Partney stressed the city not only would be paying the extra \$25,000 for sewer pollution tests, but also would be required by the engineering firm to go to firemen of the Nameoki station, an additional expense of \$25,000. The cost of preliminary work to \$30,000 to \$40,000, Partney said.

Alderman Whitmer added the city also might have to repay as much as \$12,000 to the Federal Housing & Home Finance Agency for the pollution study work carried out under the Citizens Sewage and Pollution program. "Add that to the \$25,000," he remarked.

Proponents of the contract pointed out the urgency in getting started with the work because of the June 1 order handed down by the state Sanitary Water Board. The opponents were accused of ignoring the advice of City Engineer David Johnson and going to other engineers.

"I'd go to see our engineer."

Partney commented, "If I didn't have to go to East St. Louis to do it. He has no engineer on his staff here that we can confer with." Engineer Johnson was called upon for his opinion of the contract.

"Can't Go Wrong," Johnson said. "It's based on standard fees. You can't go wrong on following this contract. You've had an explanation of the need for the engineer's inspectors were kept in a call to the state that the city also might have to repay as much as \$12,000 to the Federal Housing & Home Finance Agency for the pollution study work carried out under the Citizens Sewage and Pollution program. "Add that to the \$25,000," he remarked.

General Steel Officer Named Drive Chairman

W. Ashley Gray Jr., executive vice-president of General Steel Industries, Inc., will serve as general chairman of a campaign to finance a proposed \$3,500,000 research and out-patient center for St. Louis Children's Hospital. It was announced this week, James S. McDonnell Jr., chairman of McDonnell Aircraft Corp. will serve as honorary chairman.

GCAARC Plans Day Camp Activities

The monthly meeting of the Granite City Association for Aid To Retarded Children was held Monday evening at St. John United Church of Christ with Mrs. Francis Cocagne, president, in charge.

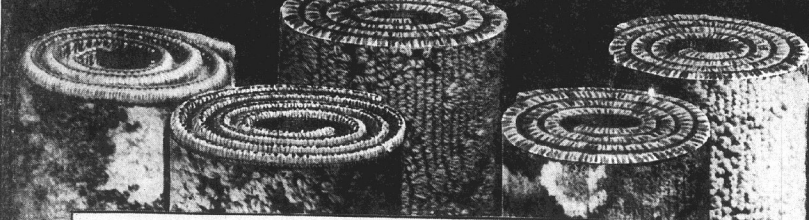

Mrs. Nelma Black, Mrs. Hazel Kymion and Mrs. Emma Belleke were appointed members of the coming season with Mrs. Black to serve as chairman.

Mrs. Cocagne and Mrs. J. T. DeRuntz were named as delegates to a regional meeting of the Illinois Council for Mentally Retarded Children to be held in Belleville Sunday afternoon.

Spanish Play At Coolidge PTA

A play in Spanish highlighted a meeting of the Coolidge Junior High PTA Monday evening in the all-purpose room. Mrs. Lois Haynes, president, conducted the business meeting.

The opening ceremony was given by Larry Stawar, Alex Tarpoff, Booth Moore and Richard White, Boy Scouts from Troop 15, who presented the colors and led the pledge of allegiance. Miss Lucille Coulter gave the PTA prayer.

Ralph Eberhardt, principal, introduced Mrs. Charlotte Lierman and Mrs. Charlotte Thompson, Spanish teachers at Coolidge, who were in charge of the first half of the program. Plays were given in which all the actors spoke their lines in Spanish.

Marsha Galloway was narrator and the first play was entitled "In The Station," with Pat Parker, Susan Mertz and Barbara Thompson taking part. The second, entitled "For The Present," starred Linda Mullen and Susan Mertz. The final play was titled "Lunch Hour Discussion" with Cathi Aubrey, Craig Haynes, Jane Paoli, John Ruemmer and Maggie Tardillo. The latter girl is from Cuba and has been in school only six weeks; since she is learning English, she gave her lines in English instead of Spanish.

The members voted to purchase a tape recorder for the school instead of the proposed television set.

Mrs. Edith McGee, ways and means chairman, announced progress made on the spring fashion show. The date has been changed to April 4, and Phil Spence will provide organ music. Mrs. Julia Froestman will serve as commentator for women's clothes and Richard Miller, science instructor at Coolidge, will be commentator for boys' and men's wear.

Mrs. Elva Mae Spiceland will be the unit's sponsor for a lifetime membership in the PTA. The area county dinner will be tonight.

Boy McConkey, boys' guidance director of Granite City high school, explained state scholarships that are available and financial aid students may obtain for their education. He also said the county superintendent has scholarships available for teacher education.

Refreshments were served following the meeting by the hospitality committee. The next meeting will be held March 25, when Girl Scouts will be saluted.

HOSTESS TO BRIDGE CLUB

Mrs. R. C. Barney, 2108 Lynch avenue, entertained her bridge club this week and included a guest, Mrs. Robert Dempster. The winning scores were held by Mrs. Arthur Roman, the hostess and Mrs. Dempster.

The next meeting will be with Mrs. W. H. Troyer, March 13.

FORMER RESIDENTS RETURN

Mrs. Watson, U.S. Navy, with Mrs. Watson and their daughters, Pamela, Paula and Paulette, who have been stationed in Norfolk, Va., for the past twelve years, have returned here to reside. Watson, who is in recruiting service for the Navy, will have offices in Alton.

PARTY FOR PINOCCHIO CLUB

Mrs. Grover Dawson entertained the GCB pinocchio club at a meeting in her home on Edison avenue Wednesday.

A 12:30 luncheon was served and the afternoon was spent with cards with awards going to Mrs. Lottie Scherrer, Mrs. John Harig, Mrs. May McCauley and the hostess. The group will meet again in three weeks.

Depot Sergeant Receives Diploma; To Attend SWIU

A Granite City Army Depot sergeant, Richard C. Warner of Ferguson, Mo., received a high school diploma recently from his commanding officer, Capt. Albert Guertin. The sergeant attended evening classes at a St. Louis high school and completed the General Education Development test at the depot's education center.

Sgt. Warner, who is a construction equipment supervisor with the 180th Engineer Co., plans to start classes at Southern Illinois University on March 27 for a major in interior decorating, his occupation before entering the Army. He is scoutmaster for depot Boy Scout Troop 95 and is a Sunday school teacher at the depot chapel.

Air Reserve Adds To U. S. Defense, Club Told

The Air Force Reserve costs less than 1% of national defense spending but adds much to U.S. military power, Madison Rotarians were told yesterday by Nat. Polinsky, an insurance representative and reserve major. He was introduced by his brother-in-law, Harvey Miller, the day's program chairman.

The airlift to marooned cattle, Korean missions, instruction given in India and ferrying of planes from France, the latter at only 30% of the alternative cost, were examples cited of services performed by reserves living in this area and devoting 30 to 40 days a year to assignments from Scott Air Force Base. There are 400,000 reservists.

Adult Dancing Classes Begin March 6 At YMCA

Adult social dance classes will begin March 6 at the YMCA. The course, consisting of instruction of fox trot, waltz, jitterbug, cha cha, polka, rumba and other dances will last for six weeks.

The bossa nova, the latest ballroom dance, will be included in the course if requested by enough students. Beginners classes will meet from 7:30-9 p.m. Wednesdays, followed by advanced classes from 8:30-10 p.m.

The cost for the entire nine-hour course is \$12.50 for married couples, or \$20 for married couples. Additional information may be obtained by calling the YMCA at TR 6-7200.

Will Attend Meeting For Aid To Retarded

A number of local persons are planning to attend a regional meeting of the Illinois Council for Mentally Retarded Children to be held at 2 p.m. Sunday at the Mamie O. Stookey School for Retarded Children, 1621 Centerville avenue, Belleville.

Mrs. Francis Coogne, president of the Granite City Association for Aid to Retarded, and Mrs. J. T. DeRuntz will be official delegates from the local organization.

Speakers will be State Sen. Alan J. Dixon of Belleville (149th District), and Alfred Armstrong, a regional office director for the Department of Mental Health. Two other guests also will address the meeting. Mrs. John Ingerson of The Netherlands will discuss care of mentally retarded in her country.

Reinhardt's Rites Are Scheduled Saturday

Funeral services will be conducted at 9 a.m. Saturday at St. George Catholic Church, New Baden, for Mrs. Josephine Reinhardt, 77, mother of Edwin Reinhardt of 1601 Garfield avenue. Interment will be in New Baden Cemetery.

Mrs. Reinhardt, who lived at New Baden, died yesterday at 10 a.m. In addition to her son here, she is survived by three other sons, a daughter, nine grandchildren and five great-grandchildren.

'Dawn Patrol' Flight Planned For Sunday

An "old-fashioned dawn patrol" reminiscent of those of several decades ago will be revived at 6:40 a.m. Sunday when Lakeside Airport sponsors a mass flight to Flora, Ill., for a free breakfast. About 20 to 30 single-engine planes are expected to participate, flying in formation.

The event will mark 23 years of operation of the airport, the Press-Record was told by Chuck Midyett, chief pilot and sales manager, who will lead the flight. Pre-flight briefing will begin at 6:40, with takeoff about 7 a.m. and the landing 75 miles east of here by 8 a.m. The return is set for 10 a.m.

Similar flights are to be planned for the future.

BROWNIES BECOME SCOUTS IN CEREMONY

Brownie Troop 221 met Tuesday with Mrs. Ethel Gettman, President Jean Funkhouser opened the meeting with the girls singing the "Brownie Smile" song. The roll call was answered, and a flag ceremony was held, followed by a fly-up ceremony.

The girls, one at a time, came forward and named what she liked best about being a Brownie. Then, each took her Brownie cap and handed it to the next girl waiting and stepped on a green-covered stool with Girl Scout emblems around it. She waved goodbye to the rest of the Brownies. Her Brownie wings were pinned on her, and she stepped down to the Girl Scout side of the room, which was decorated with green crepe paper streamers and Girl Scout emblems.

Each told why she wanted to be a Girl Scout and repeated the Girl Scout laws. Mrs. Gettman pinned on her Girl Scout pin and international friendship pin, explaining the meaning of the pins. They gave the Girl Scout handshake and salute, and were congratulated and welcomed into the Girl Scout troop.

CUB SCOUT BANQUET

A blue and gold banquet was held by Cub Pack 19 Monday evening in the Washington school gymnasium.

The tables were decorated with centerpieces and place cards in keeping with the blue and gold color scheme.

The opening flag ceremony was performed by the Webelos den under the direction of the leader, James Richardson. The invocation was given by Rev. Truman Collins of the Mount Zion General Baptist Church.

Dinner was served at 6:30 by the den mothers and mothers of the pack members. At 7:30, Joe Blason, chairman, opened the meeting. Reports were given by Rev. Laverne Blason, secretary, and Mrs. Ruth Laswell, treasurer.

A report on the past year's pack activities was given by the institutional representative and neighborhood commissioner, Victor Ray.

Ray Cundiff introduced the

guests present, including Rev. and Mrs. Truman Collins and members of the "Curly Nelson Band," who entertained with several vocal and instrumental musical selections. The band consisted of Mr. and Mrs. Bud Ryderson and son, Joe, Jim Hoos, Ray Cundiff and John Marshall.

Awards were presented by Cundiff to the following cub scouts: Ronald Warden, Steven Hoos, Jimmy Hayes, Michael Richardson, Marvin Hoos, Carl Reppy, Ronald Keeton and Walter Jung.

Michael Meyers received a Bobcat pin. Marvin Hoos a two-year pin and Ronald Keeton a two-year perfect attendance bar. Recognition of the pack leaders was given by George Birdsong, cubmaster.

The meeting was closed with prayer by Rev. Collins. Approximately 150 persons were in attendance.

16TH BIRTHDAY OF CARL WALLACE

Carl Wallace was a guest of honor Monday evening at a party given by his parents, Mr. and Mrs. Lowell Wallace, at their home, 515 East Chain of Rocks road, in honor of his 16th birthday.

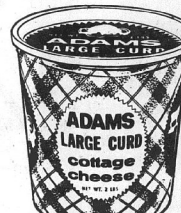

Decorations were streamers of red, white, blue and pink crepe paper. The young people enjoyed dancing to a record player.

After the honoree opened his many gifts, refreshments of soda, hot chocolate, cake and ice cream were served to Dian Cordell, Karen Doty, Billy Mills, Sue Cordell, Jack Focht, Randy Corey, Doug Farris, Jim Horton, Mike Mathon, Becky and Patty Mathon, Tom Wilkerson, Diane Pettitt, Charles McGinness, Butch Parrill, Russell Sutton, Mike Presley, Terry Davis, Joe Focht, Patty Donaldson, Carol Presley, Gary F. Ward, Don Alfro, Janice Weyet of Belleville and the honoree's sisters, June and Janice Wallace.

GOD AND COUNTRY AWARD Larry Beadle, son of Mr. and Mrs. Henry Beadle, 1513 Maryville road, was presented a God and Country award by Rev. John Di Giacomo during worship services Sunday morning at Mitchell Presbyterian Church for his work in scouting and the church.

VISIT IN MISSOURI Mr. and Mrs. L. J. Jones and daughter, Violet, returned Sunday from Columbia, Mo., where they spent the weekend visiting their son-in-law and daughter, Mr. and Mrs. Bill Wiggen.

Mr. and Mrs. Howard Robertson had as their guests over the weekend Mr. and Mrs. Virgil Robertson and family of Springfield, Mo., and their granddaughter, Kathy Robertson of Highland, Ill.

MONDAY, FEB. 28, 1938
On Friday evening, for the second time in seven years, Alderman John Sumner, a member of Palace Lodge No. 30, won a seat in the annual international convention of the Amalgamated Association of Iron, Steel and Tin Workers, as representative of his lodge, by the vote of a coin.
When election votes were tabulated, it was found that Owen Kennedy was high at 18 votes and Sumners and John Zabel were tied with 17 votes each. Two were to be elected, according to the by-laws, ties are decided by lot.

In an election of officers of the General Steel Castings plant, at which the polls were open four days to give all members a chance to vote, Clyde Huffer was elected president and Troy Morgan was elected vice-president.

George J. Moran of Granite City was graduated from George Washington University in the winter convocation Feb. 22 with the degree of bachelor of law. The exercises traditionally are held on George Washington's birthday.

Frank Reidelberger, son of Judge and Mrs. Frank Reidelberger, 208 Broadway, Venice, returned home from Quincy last night after attending the 11th annual state Catholic high school basketball tournament in that city over the weekend.
He played guard for the Central Catholic quintet, one of the 16 competing teams in the tournament. His team was paired with that of St. Paul of Odell on the opening night and went down to defeat in the first game.

The Women's Gynae Society entertained the YMCA girls at a banquet in the church basement Friday evening. The program included talks by Mrs. Mabel Miller, Mrs. Ann Burris, Mrs. Mary Randall, Mrs. Jessie Overby and Mrs. Lily Overby.
Mr. and Mrs. Dean Lee and son, Robert, spent the weekend with relatives in Taylorville.

Mr. and Mrs. Newton Tapp left this week for an extended tour of the southern states and to attend the Mardi Gras.

Russell F. Harrison of Granite City was chairman of the annual youth fellowship meeting sponsored by the Christian Churches of Southern Illinois, at DuQuoin Friday and Saturday.

TAXPAYER LOSSES IN GAME COUNCIL PLAYS
To the Editor:
Poker game at the city hall—

Gentlemen, we shall all be seated. The order of winning will be repeated. So everything is tied and not in a mess. When I nod my head, everyone say, "Yes."
Now, Mr. LeMaster, on my right, you have won And of course on the left is Mr. Nonn. Mr. Schmitt, Mr. Vesel, if you please, Next to those two you can sit in sequence. Last but not least, on that board, Is your place, Mr. Shackelford.

Our guest's place is the empty chair. He sent all the chips but won't be there. Mr. Taxpayer, his name he won't be seated. So we'll use his chips until they're depleted.
Of the games and rules I'll be the chooser. Of course, it's certain there will be but one loser. We shall play "Cold Plated," "Salary Game," "Platinum Plated" and "Engineer Overpay." Any other game will smell the same.

My goodness! Our guest's clean out of chips. Even in debt up to his ears. Now that our coffers have been replenished For this session, I call it finished.

The enjoyment was great and loads of fun. Remember, we did it without even a gun. Election is here, so avoid a demer. Go forth with my blessings and buy back your seat.
With our guest's own money, you can promote Sufficient workers for a majority vote. It counts not how you win, but how you demer. Perhaps you, too, can be mayor.

FUNDS AID ARTHRITIS, BIRTH DEFECT RESEARCH
To the Editor:
We would like to thank all people of the Quad-City area who have contributed to the March of Dimes drive for 1938.
Everyone who worked for a good job. It has been so fully appreciated, and "Thanks" will never be enough.
Our heartfelt thanks to Miss Patricia Lipinsky, our Quad-City poster girl, with rheumatoid arthritis, who braved the cold months of January and February, all the affairs to do her share for the March of Dimes that has helped her in the past and will continue to do so in the future. Thank you one and all for your donations for the drive, steps, through the mails and the dropping of money in the canisters.
Through your generosity and God's help, we hope to see in time, through research, a cure for birth defects and arthritis. As you might not realize, your many donations at present are being used to help severely handicapped children in the Quad-City.

COMMENTS ON ZONING, TAXES, POLITICIANS
To the Editor:
I wonder how many Granite City people will be to the zoning meeting of the County Board at Edwardsville? You could see "democracy" in action.
Will it affect our taxes, which are already too high? Some say they doubt it, but anyone knows better. Expenditures don't come out of thin air.
I talked with one of the members and asked him to vote for him. He replied he was going to vote for the man who was going to vote against him. There is a very small per-

Only Five Council Members Opposed \$25,000 Engineer Contract Giveaway

Voters no doubt will want to keep fresh in their memory the names of those responsible for final adoption of the \$25,000 giveaway in the Granite City pollution treatment plant engineering contract. Mayor Davis and Aldermen Walter Nonn, Frank Vesel, Russell Harrison, Samuel Shackelford, Estill Von Schmitt, Steve Basarich and Casmer Skubish, Alderman Edmund Bartosik also supported the plan but was absent.

Those who opposed the unnecessary expenditure and placed themselves in the side governmental economy and responsibility were Alderman Gabrielle Betinec and Aldermen Donald Partney, Ford Johnson, Paul Rutledge and Samuel Whiteman.

In the long run, devotion to the public interest must rank first in determining who is to serve, or continue serving, in public office. On the basis of the voting Monday night, only five city council members are standing regarding the wishes and needs of Granite City residents and taxpayers.

Letters Disagreeing, Agreeing With Newspaper Always Printed

The Press-Record always has, does now and will continue to publish letters of reasonable length that are not libelous and are within the bounds of good taste, regardless of whether they agree or differ with views expressed by the newspaper. Names and addresses are revealed to the newspaper but will be omitted in publication of the letter, if anonymity is requested.

Every letter received under these conditions, both on controversial topics and on other matters of general public interest, has been printed. This includes the current salary issue in the Granite City school district.

The Press-Record welcomes letters reflecting all shades of opinion, and will be happy to publish any relative to the city school district. When letters do not appear, it is because they are not submitted.

Russian Leadership A Myth

About all we hear nowadays is how we have lost or are losing to Russia in the production of some or another of our goods. We must remain alert to any unfriendly power concerning the future, but let's not forget the facts. We are not in second place.

In order to be equal to Russia today, we in the United States would have to:

1. Abandon three-fifths of our steel capacity.
2. Abandon two-thirds of our petroleum capacity.
3. Scrap two out of three of our hydroelectric plants.
4. Forget over 90% of our natural gas.
5. Eliminate 95% of our electric motor output.
6. Rip up 14 of every 15 miles of our paved highways.
7. Destroy two of every three miles of our railroads.
8. Sink eight of every nine of our ocean going ships.
9. Junk 19 of every 20 of our cars and trucks.
10. Slash all paychecks by three-fourths.
11. Send 50,000,000 Americans back to the farms.
12. Destroy 40,000,000 television sets.
13. Rip out nine of every ten telephones.
14. Tear down seven of every ten houses that are now standing. (St. Paul Area Chamber of Commerce).

percentage of people can carry the load of taxes as they are now. Only those of high salaries can afford it, and they are so few you can count them on your fingers.

Are you going to vote for the same politicians that have been in for 16 or 18 years? They promise you all kinds of things; maybe they even give you some cash.

You pay your taxes according to who you elect to the city hall. Look at my record. I spent more than four and a half years of my life to accomplish this community park for our children. Not only that, I spent quite a bit of my own money without compensation from any one.

PROCEDURES LACKING FOR BURIAL OF PETS
To the Editor:
Just a few lines that may be of help to some other unfortunate family such as ours, who have or may have in the future a pet.

This is in no way degrading the veterinarian, who we feel did everything he could to save

Impact Of University Payroll Already Felt Here

Even before construction at the main campus begins, Southwestern Illinois University is making an economic impact on this community.

State payroll information shows that 95 Quad-Cityans were employed by the university during 1962, a year in which its instruction program in the St. Louis Metropolitan Area was confined to the East St. Louis and Alton residence centers. This number represents 30% of the local residents who drew state funds last year.

Once the new campus is opened, the local total is expected to rise sharply. The Quad-Cities, it seems sure, will share substantially in a university payroll that already tops \$4 million and will climb to a \$15 million annual level in the coming years.

Another Tragic Example Of Why Drunken Driving Tests Should Be Mandatory

The tragic death of a newborn struck while pushing his way through a tragic omission in the state law—the lack of mandatory testing of suspected drunken drivers.

As noted here before, such tests are not harmful to the individual's health and merely determine the level of intoxication. But without teeth in the law, tests cannot be required, or can be disputed if administered.

When traffic fatalities such as this reach a jury box, or a court of appeals, there is no fair way of determining drunkenness unless there was an immediate medical test. Illinois legislators ought to remedy this weakness.

Illinois public aid set up in such a way that it encourages idleness and makes unemployment desirable? The commission currently is considering how to answer the question, after being informed by one of its members, that he could add \$100 to his monthly income by quitting and joining those on the aid rolls.

'Impossible' Athletic Records Are Being Broken Regularly

How well will a Quad-City child have to do to become a track and field champion when he is grown? Considerably better than the present world records, judging by the rapid rate at which they are being changed.

Healthier, more powerful and better trained athletes have ripped to shreds all standards once viewed as "impossible."
The four-minute mile being beaten regularly—the current world mark is 3:54.4—but the shotput, discus and javelin have been hurled more than 65, 204 and 284 feet, respectively, and broad jumpers are leaping in excess of 27 feet.

It is true that there are new techniques. The fiberglass pole is regarded as a factor in new pole vault marks and the 16-foot "barrier" used in the stratospheric 16-foot "barrier" used in the high jump procedures are so unorthodox that they have not yet been officially sanctioned. But the recognized mark of 16 feet, 3 3/4 inches, in the vault and seven feet, 5 1/4 inches, in the high jump still rank as prodigious feats. Personally, we would not even care to jump that high on a trampoline.

A same old story of no records, no standards, is that steady progress also is being made in lowering the hard-to-beat dash records. The 100 and 200-meter marks already have been paired to 10 and 20 seconds.

Within the next two decades it seems probable that vaulters will be soaring 17 feet, miler will be breaking 3:40 and javelin throwers will be bettering 300 feet. Local youngsters who hope to be in the thick of the competition will not be able to skimp on any of their vitamins.

Destruction Of Notorious Joint Will Not Be Mourned

Violence and brazen law violations marked the operation of the "End of the Line" joint throughout its history. There will be few tears shed over the action of the notorious building, now burned to the ground after withstanding "heat" and the outcries of neighboring residents for many years.

Long ago denied a tavern license, the establishment, the site of one of those "shoot-outs" in disregard of the law, came what may, though the origin of the fire remains undetermined, it is in some ways providential—and reminiscent of the fire that finally brought another vice center, the Pioneer House, to the "end of the line."

THANKS FOR LISTING PAY
To the Editor:
Thanks a lot for the political payroll in Thursday's issue. From publications like that, one gets to know the first as well as the second-class politicians.

Some names on that payroll almost surprised me as much as the payrolls you publish from the levee board.

I wonder if that highway worker who made the \$891 in the same man who is running for alderman this year and who, or not he is a permanent employee by the highway department.

Interesting questions that the voters may be interested in, too. You know, "By their fruit ye shall know them."

LAW MUST BE PASSED ON DRUNKEN DRIVING
To the Editor:
Four years ago, on Jan. 24, a neighbor came to my door with the message that my boy, Paul, had been in an auto wreck east of Columbia, Ill.

Another 18, was fatally injured and died 18 hours later. The driver of the car had no insurance and was a habitual drinker.

Why did the two have to die so young? A drunken driver, who was protected him and endangered him by letting him drive previously with court costs and fines. Now the same thing has happened to an innocent boy on a highway. I want to see a law passed to make it a crime to let a drunk driver drive. I want to see a law passed to make it a crime to let a drunk driver drive. I want to see a law passed to make it a crime to let a drunk driver drive.

LENT—A TIME TO BE HUMBLE, PENITENT

For the first three centuries of Christian history, forty hours of fasting were held before Easter Day. These forty hours would correspond with the hours Jesus spent in the tomb. By 325 A.D. this was extended to forty days.

The New Testament does not command certain fast periods, but the church gradually set up certain fast and fast days.

Since the time Jesus was on earth, Easter has stood as the greatest day in the Christian year. It is a day of joy!

Easter joy cannot be experienced, however, unless the sorrows pertaining to Holy Week are understood. The person who

has never known sorrow will never understand the time of joy.

The disciples around Jesus at the time of his arrest and crucifixion were sad and disheartened when Jesus was buried. Thus, when he overcame death and arose, their sadness was turned to boundless joy.

Our spirits must make ready for the day of joy—Easter. We need not be sad and disheartened, but we must be humble and penitent. We need to ferret out the dark places of our souls. Perhaps it could be likened to spring house-cleaning.

God thanks be to Thee for these days of preparation for the good news of Easter. Search our hearts and mold our spirits for loving service in thy name. Amen.

Reverse Downward Trend

All of these figures are significant because they show that, for the first time, we are beginning to reverse the downward trend in federal procurement activity that had been starkly visible for years.

At the end of world war II, Illinois and the midwest received 35% of all such procurement. The figure was about 25% in 1952 and, as at the beginning, the percentage was about 10%.

This administration from the state and federal government's investment in its total effort to inject new vitality into the economy of our state.

Space, Science Programs

We have championed the struggle of the midwest to share more fully in this federal activity. Members of my staff and I have gone to Washington to secure more active consideration of Illinois in the nation's space and science programs.

Since federal procurement is but a part of the total picture of what must be done to reverse the downward trend in our economy, the legislature calls for a Department of Commerce to concentrate our work.

Part of that plan calls for the state to be ready to present its case, and to make our effort in this area a constant one.

WHAT'S WRONG WITH THE PROPERTY TAX?

Let's call them Mr. and Mrs. John Smith.

They are an elderly couple in their late 60's. They have brought a family into the world, and that family has grown and matured.

Mr. and Mrs. Smith have a small home perhaps worth \$8000, which represents their life savings. The tax on that home is \$154 a year—and their monthly social security check is \$83.

The real name is not Smith, but the other facts are real.

20% of income tax is paid by the tax payers on their property. The tax they pay on their home represents 20 percent of their total income, and that is hardly adequate.

If the local school district needs an increased tax rate, or a bond issue, how will Mr. and Mrs. Smith probably vote?

Your guess is correct. Their case is but one example of the inequities that exist under the present property tax.

Backs Home Speaker
House Speaker John Lewis, Republican of Marshall, created a storm when he suggested that he would favor a flat rate income tax for the state if it would bring with it a reduction in the real estate and personal property tax.

In my opinion, Speaker Lewis was absolutely right. A state income tax of two percent would result in a 20 percent reduction in the property tax, because the income tax affects all citizens, not just those who own property.

90% Reduction
Under such a proposal, Mr. and Mrs. Smith I mentioned earlier would pay only their fair share of the tax—less to two percent than 20 percent.

In theory, I favor the income tax alone, dropping the other taxes. In many practical reasons, this will not happen. No one tax will completely replace the others.

But property taxes are out of reason. Ability To Pay
There is no relationship today between a man's ability to pay and the property he owns.

than 120 years ago. It was an income tax; then you could assess a man's ability to pay by looking at his home and his livestock.

For all practical purposes, to own a man who owns a \$5000 home is a tax while a man who owns \$100,000 worth of stocks and bonds goes untaxed. This is obviously unfair.

Unfair Burden
Under the present system, farmers, our senior citizens, and those who own homes are burdened unfairly.

And these paragraphs are touching but one small part of a general system that is not a fair one.

Under the present system, it will not change until more people alert themselves to the fact that almost all taxation than does Illinois. But because of public indifference, any major change in this session does not appear probable.

CORRECTION—In a recent column I referred to the percentage of interest permitted by law as 36 percent on amounts up to \$500. That was incorrect. It should have read 36 percent up to \$150, with gradually diminishing rates thereafter.

However, poorly stated, my point is still a valid one, I feel. Interest of \$54 for borrowing \$1000 is a heavy burden. Other permissive rates up to 20 percent are not as bad, but also too high.

Loan companies sent letters to me clarifying the above point. A second group of letters came not from the companies, but from the borrowers, who complained earlier would pay only their fair share of the tax—less to two percent than 20 percent.

While the exceptions I suggest are frequent, in fairness to the loan companies, they do exist.

State Worker Omitted

The name of Doris C. Stark, 2005 Fourth Street, Madison, was erroneously omitted from the list of state employees printed in the Press-Record last week. A mental health social worker, she was paid \$7880 the state last year.

Speedier Handling of Circuit Court Cases

Speedier handling of circuit court cases in Edwardsville was pointed out this week by Circuit Clerk Willard Portell of Granite City, who said the average age of cases now being tried is 11 months.

"This is much better than the past records, and is six months ahead of St. Clair county where the average age of cases is about 17 months," Portell said. He pointed out the improved court backlog situation is due to stiffer continuance regulations recently started and enforced by the judges and setting of cases before Probate Judge Austin Lewis and County Judge Michael Kinney. They are aiding the circuit judges, Joseph Barr, Harold Clark and James Monroe Jr.

Rites Held Today For Mrs. Anna Sladky, 75

Funeral services were conducted this morning at an Edwardsville funeral home for Mrs. Anna Sladky, 75, of Glen Carbon, mother of Jerry Sladky of 4116 Melrose avenue. Interment was in Buck Hill Cemetery.

Mrs. Sladky died at her home Monday evening of a heart attack. In addition to her son here, she is survived by her husband, Joseph; another son, Joseph Jr., Melville, Mo.; several sisters and brothers in Europe and five grandchildren.

Parking Accident

A parked auto owned by James H. Brandon, 1838 Spruce street, was damaged slightly about 4:45 p.m. Monday when it was struck by another auto driven by Sidney Strothbeide, 17, of 2504 Hodges avenue. Police said the driver was backing up to park in the 1800 block of Edison avenue when the accident occurred.

GC Dog Catcher Says Strays Are Bountiful

City Humane Officer Scott Craycraft told the Press-Record this week he has been averaging four to six dog pickups a day and on Tuesday picked up 11, including nine on two spots.

"A lot of people are complaining and I'd say there are an average of 30 to 35 calls a day to the city hall switchboard on the animals."

"I'm seeking the cooperation of Granite City residents, asking them to keep their pets penned or chained. Right now there are over 30 dogs in the pen at the city garage. I'd like for people to know I'm picking dogs up as fast as I can," Craycraft said.

On Tuesday his pickups included five pups dumped along Melrose avenue and another four that had been dropped off in an alley in the 2200 block of Cleveland ave.

ANNUAL GIRL SCOUT THINKING DAY

The annual "Thinking Day" program of Neighborhood One District Four, of the River Bluff Girl Scout Council was held Sunday afternoon at St. Mark's school.

Venue leaders were hostesses, and there were approximately 80 scouts and 10 leaders attending. Units represented were Brownie Troop 37, 37 and 198 Intermediate Troops 799, 114, 117 and 161; and Senior Troops Five and Three. There were also visiting seniors, scouts from Granite City.

The scouts enjoyed plays prepared by each troop and sang songs of France, Australia, Italy and the United States. Movies of the 1962 roundup were shown by the neighborhood chairman, Miss Dorothy Hinson.

The Venice scouts had sock dolls on display which they had made and will give for Easter gifts. The room was decorated throughout with the Girl Scout colors.

Leaders present were Miss Hinson, Mrs. Shirley Brown, district chairman, of Granite City, and Mesdames Mabel Dandridge, Dorothy Bergrath, Josephine Fletcher, Jewel Barnes, Mary Simmons, Margaret Lee and Eva Maurer.

It was announced that Neighborhood One will have displays during Girl Scout Week at the Illinois Power Co. office in Madison, and at Broadway Hardware and King's Grocery in Venice.

CONTRIBUTIONS BY LIONS TO AID BLIND
The Venice Lions club held a regular dinner meeting Monday evening, with 20 members present.

A business session was conducted by the president, Gene Elgan, and the club made its annual contribution to the Lions School for the Blind and for seeing eye dogs.

CANASTA CLUB DINNER
Members of the Canasta club held a meeting Monday evening at the Rose Bowl. Dinner was served as the members arrived.

After dinner, canasta was played and winners for the evening were Mrs. Rose Ritz, first; Mrs. Icie Schaffner, second; and Mrs. Marge Purcell, third. Other members present were Mrs. Mabel McCree, Mrs. Lorene Morris, Mrs. Elsie Canver, Mrs. Ruth

Three Methods Outlined To Build Jail, Detention Home

Data on public building commissions in other Illinois counties is being sought by the Madison county board of supervisors prior to its next meeting during which the construction of a new county penal structure possibly will be proposed.

Quick action was urged during Monday's meeting of committees at Edwardsville by County Auditor John Kravak, who outlined three methods of financing.

Under discussion is construction of a penal building that would include a county jail and sheriff's residence, along with adjoining facilities for a county juvenile detention home.

Assistant Granite City Supervisor William B. Webb Jr., who heads the detention home committee, said another meeting of his group and the county building committee will be called to outline further details and possibly meet with bond firm representatives on the commission idea.

Under Kravak's proposals, the project could be financed with a bond issue approved by a popular referendum, or by a revenue bond issue that would be submitted for referendum only if the county would be petitioned to finance construction of the needed facilities, with the bonds to be retired from rental payments by the county from a special tax levy which the county board could authorize without referendum.

Data on the public building commission plan is to be sought from Peoria and Adams counties; that used the means to construct public buildings.

He also proposed creation of a public building commission, empowered to issue bonds without referendum to finance construction of the needed facilities, with the bonds to be retired from rental payments by the county from a special tax levy which the county board could authorize without referendum.

County liquor permits for 1963 have been issued to two rural taverns outside Granite City, it was announced this week at the office of the county liquor commission at Edwardsville.

Charles A. Farney was given a renewal license for Chuck's tavern, 4001 Kaseberg lane; and a new license was issued to Lora Moehle for the operation of Lora's tavern, 4362 Lake drive, formerly known as Walter's tavern.

With six other permits granted for taverns in unincorporated areas, the county tavern total now is 110 licensed for 1963, compared to 147 in 1962. The county's license year follows the calendar year.

Runaway Michigan Boy Hospitalized Here
Geoffrey Davis, 15, a runaway from Grand Rapids, Mich., was taken into custody about 8:30 p.m. Monday by Granite City police near the A. O. Smith Corp. plant. His parents were called and said they would come for him.

About 9:20 p.m. he told police he felt ill and had a fever. He was taken to St. Elizabeth Hospital and admitted in fair condition with a temperature of 101 degrees.

Police said the boy came from Michigan with two other runaway boys in the company of Herbert Reed, 39, of Grand Rapids. The latter three were apprehended Tuesday at a motel on U. S. By-Pass 66-40 near the Chain of Rocks bridge.

The sheriff's office said Reed is being held at the request of Grand Rapids police for check forgery. There are no charges against any of the boys. All will be returned to Michigan.

Gavner and Mrs. Dorothy Copeland.

The next meeting will be held at the home of Mrs. Ritz in Collinsville.

Mr. and Mrs. Floyd Painter, 121 Granville street, entertained guests in their home on Sunday.

Dinner was served to Mr. and Mrs. Everett Painter of Carrollton and Mr. and Mrs. William Ohlendorf, Mr. and Mrs. Jessie Oehler, all of Venice.

Service Here Sunday For Late Catholics

A special requiem service will be conducted Sunday by Rev. Gerun Shrikian at St. Gregory's Armenian Apostolic Church, 1732 Maple street, for His Holiness Zareh I, late Catholicos of the Holy See of Cilicia at Beirut, Lebanon.

He died Feb. 18 of a heart attack at the age of 48.

His Holiness was elected Catholicos in 1956 and reigned as spiritual head of the Armenian Apostolic church in Lebanon, Syria, Cyprus, Greece, Iran, Kuwait and North America. The prelate of the North American Diocese, His Grace Bishop Hrant Khatchadourian attended the funeral services at the site of the Holy See in Antelias, Beirut, last Saturday and Sunday.

Special requiem services and high mass in Armenian churches in the North American Diocese will be conducted throughout the United States and Canada, followed by 40 days of mourning.

Division Winners Advance To Finals In Classic Playoffs

Division champions Ragan Lumber Co. and Bowland will meet at Prather junior high school tonight in the finals of the park district Classic basketball league's post-season play-offs.

"A" division titlist Ragan ran roughshod over Sacred Heart 97-61 and "B" camp Bowland eliminated West Side AC 74-40 in playoff semifinals Monday night at Prather.

Bill Page with 26 points and Dave Hryskio with 21 paced Ragan to its Monday win. The Hearts got 22 points from Ed Pashe and 19 by Paul Mosby. Ragan went on a 65-point second-half rampage after leading 32-25 at halftime.

Bowland built up a 21-point lead in the first half against West Side. The winners were led by John Banarich with 18 points, Harry Neuling, Gary Dacus and George Sykes each hit 12 for the AC.

Venice Wins Church Loop Playoff, 65-62

League champion Venice Methodist added a second Church loop basketball trophy to its collection this year by defeating St. Joseph's 65-62 Monday night in the playoff finals of the park district-sponsored program at Coolidge Junior high school.

The Methodists, leading 37-28 at halftime, expanded their advantage to 13 points in the third quarter and then had to beat off a fourth-period rally which saw St. Joseph's outscore the winners 18-8.

Leading scorers for Venice were Steve Wilcox with 17 points, Larry Gray with 15 and Clarence Hand with 12. Rich Demery and Ray Jones had 14 apiece and Tony Costello rimmed 13 for St. Joseph's, and the third-place finisher during the regular season.

Venice completed the regular season and playoff schedule unbeaten.

New Rules Govern Players In Park Baseball Leagues

Forty-two baseball teams were registered at a Monday night meeting for managers of squads which plan to participate in the Granite City park district's 1963 program for boys from seven to 17.

The managers heard new rulings discussed by program director Harold Brown.

All boys on Alton, Bantam and Midget teams will be required to play at least two innings of each regulation game, with rosters to include from 13 to 15 players. Brown said. Players in the older Juvenile and Junior divisions will each be required to pitch in at least every other regularly scheduled game this coming season.

A six-man arbitration board made up of one representative from each of the divisions and Brown was established to hear and rule on all disputes arising in contests this year.

Managers, including those representing five new teams, received roster sheets and registration cards, plus honorary park district baseball program membership which will be sold by the players to help finance the program.

More Meetings Planned

Divisional meetings for managers of the separate age groups are planned next month. Dates are March 11 for Atoms, March 18 for Bantams and March 25 for Midgets, with times of Juvenile and Junior division meetings to be scheduled later so as not to interfere with spring baseball schools.

Brown said players are needed in the Alton, Bantam and Midget age groups. Prospective players may call the park office and their names will be placed on an availability list.

The park leagues will continue their affiliation with the Khoury league system in 1963, but will not participate in Khoury playoffs.

Karandjeff Re-elected

2000 Persons Attend 'Y' Open House Observance

H. D. Karandjeff was elected Monday to serve a third term as president of the YMCA board of directors.

The membership meeting and elections preceded the annual YMCA open house which attracted approximately 2000 persons. Harold Fischer and Milton Reinhardt were re-elected vice-presidents and Wensel Brown was re-elected treasurer. Mrs. Harry Epstein was elected secretary succeeding Mrs. Jean Vrenick.

The election of officers by the newly-constituted board followed the election of eight directors at the membership meeting. The eight were those nominated by the nominating committee.

Board Members
Mrs. Joseph Kutosky, 2963 Washington avenue, was the only new member elected. She succeeds Mrs. Vrenick. Re-elected were Mrs. Floyd Mitchell, E. G. Schmitt, Milton Reinhardt, Arthur Roseman, Vernie Barnett, Elmer Kincaid and Dr. Harold Kaiser.

The open house attractions included demonstrations of fencing, soccer, wrestling, acrobatics, dancing, judo, karate, jujitsu, swimming and skin diving. There also were volleyball, table tennis and basketball.

There were static displays by the Sky Stealers model airplane club, the Land of Lincoln coin club, the Tri-Hi-Y club, the Senior Citizens group, the Japanese and Spanish language classes and the Bubblemasters scuba diving club. The Men's Health club and Women's Slim Gym club were open for inspection.

Refreshments were served to the public by the Women's department.

The annual report of the YMCA was presented to the board of directors Monday night immediately preceding the open house event.

The report, which covers all 1962 YMCA activities, shows receipts of \$115,538 and expenditures of \$114,462. There was a cash balance of \$1076 Dec. 31. Receipts included United Fund, \$49,876; residence, \$22,004; membership, \$23,501; fees and dues of meeting rooms, \$3904; Teen Town, \$8545; vending machines, \$3958; special donation, \$371; insurance fees, \$632; renovations, \$70; and cash balance on hand Jan. 1, 1962, \$2479.

Expenditures included salaries of \$31,965 for the staff; \$8052 for Teen Town; \$13,329 for clerical help, guards and instructors; and \$17,974 for maintenance and household help.

New Club For Boys
The boys' department report shows organization of four clubs—the Junior Optimists, Midpoint Optimists, Wildcats and Cyclops. The adult Optimists sponsor the two junior clubs which had a combined membership of 40 boys.

The Wildcats club had 28 members and the Cyclops 17. All clubs took part in gym, archery, swimming, basketball and judo. The Wildcats paid for their

own basketball uniforms by conducting a sale of light bulbs. The Youth department offered such activities as swimming, badminton, gymnastics, advanced tumbling and apparatus, karate and self-defense, wrestling, archery, calisthenics, tumbling, judo, soccer, volleyball, weight lifting and body building. In addition, such social and recreational activities as dancing classes, checkers, chess, table tennis and arts crafts were offered.

Judo Program Expands

While the judo program has been offered for five years, the response never was as great as in the latter part of 1962. A goal was set to make the club the most active judo club in the central states association. The program grew to 11 classes a week. Three junior judo tournaments were held in October, November and December. A major invitational tournament was held in March.

The YMCA wrestling program attracted 60 boys during the year, 40 of whom participated in a concentrated summer program. YMCA wrestlers captured team point titles in two of three divisions of an Oark AAU meet in St. Louis, and were awarded the Grubbs Memorial trophy as a result of the team's outstanding showing. Two individuals, Fred Coughlin and Mike Trovich won trophies as the most outstanding grapplers in the junior and open divisions.

1266 Young Swimmers
There were 1266 children enrolled in the various swimming classes—the Paddlers, Minnow Fish, Flying Fish, Sharks, Devilfish and Swordfish.

Six took part in junior life saving. A series of eight movies was shown over a two-month period and there were several seasonal parties.

Seventy-two boys and girls attended a Halloween party in December. Other special events included a trip to a Cardinals game in St. Louis for 50 children, two hikes, the Firemen's rodeo.

Numerous social, athletic and

recreational activities were engaged in by members of Teen Town. The Teen Town department consists of the Teen Town, Hi-Y and Tri-Hi-Y, and physical phases.

All Teen Town clubs participated in the annual World Service program. They raised \$1050 for World Service projects and made the local YMCA the first branch in the nation to fulfill its quota.

Women's Department

The Women's department offered gym classes the year round on both daytime and night schedules. The Slim Gym club offered exercise and weight control equipment, sun lamps, steam cabinet, hair dryers and massage service. Included in the swimming schedule for women was a class for mothers and tots.

A mixed adult program included such activities as volleyball, judo, fencing and scuba diving for men and women.

2nd Year For Senior Citizens

The Senior Citizens program completed its second year of operation. The group met each Thursday from 11 a.m. to 3 p.m. Handicraft projects included the making of ceramics, bowling, quilting, exercises, jewelry making, sewing and painting.

Evening classes for adults were conducted for all wishing to enroll in bridge, golf, Japanese, Spanish and English grammar.

A basketball league was formed for men of local industries. Games were played Wednesday nights and Sunday afternoons. Another league, formed from the plant divisions of Granite City Steel Co., played Thursday nights.

The Granite City Fencing Club was organized in the fall. Before that, instruction was held periodically in six-week courses.

The Men's Department grew in 1962 with the addition of a television lounge, a whirlpool bath, additional lockers and lockers, and the services of a full-time masseur.

YMCA facilities were made available to servicemen. The "Y" cooperated with the Granite City Army Depot in providing the use of the swimming pool, gymnasium, and tennis and pool tables.

Area Council Banquet

Outstanding PTA Worker To Be Honored Tonight At GCHS

The outstanding PTA worker in Granite City will be named this evening at the fifth annual appreciation banquet of the Granite City Area PTA Council to be held at 6:30 in the high school cafeteria.

The honorees are Mrs. Eva Meyer, principal of Logan school; Mrs. Helen Santagato of Webster PTA; Mrs. Lucille Caban of Lake PTA; Mrs. Kathleen Tadlock of Marshall PTA and president of the Area Council, Mrs. Mary Jesse of Frohland PTA and Mrs. Eva Spieland of Coolidge PTA.

The presentation of the award at the fifth annual banquet will be made by Ralph Monken, last year's winner. Other winners have been Earl Lee, George

Moore and Mrs. Ida Hanfelder. The smorgasbord dinner will be in the high school cafeteria, while the program for the evening will be in the auditorium.

Entertainment will include music by the Latin American Rhythm Ensemble directed by Robert D. Todoroff, and there will be a skit entitled, "Those Wonderful Years," presented by the PTAs and council members. Other attractions will be the modeling of clothing of the year 1897—the year PTA was organized, a Can Can dance number and a presentation of a state life membership award.

Tickets for the banquet will be available at the door, it was announced by the president, Mrs. Tadlock.

Freedom Can Be Lost Piecemeal—Foundation

"Help to plant the seeds of freedom" is the theme of the 1963 Freedoms Roll-Call currently being conducted by the Freedoms Foundation at Valley Forge.

This is the foundation that annually selects individuals and schools for outstanding efforts to bolster the American way of life. Repeated recognition has been given Granite City high school for entries by its speech department.

The late-February appeal is directed at "awakening parents of this country to the realization that they must help plant the seeds of freedom in the minds of their children in their everyday life at home."

"If our youngsters are instilled by their parents with a love for and knowledge of the values and responsibilities of the American way, then today's youngsters and oncoming generations—the voters of the future—will choose to retain our American system and will veto all the other isms (Communism, socialism, welfareism, statism) that are today infecting the American body politic," National Roll-Call Chairman Arthur W. Radford comments. Former

President Eisenhower is Freedoms Foundation chairman.

"While there is no doubt that every American would gladly defend his country from military attack, we fear that too many good citizens take too much for granted the wonderful freedoms they enjoy under our way of life," Radford adds.

"It is important, if not essential, to remember that freedom is a privilege that must be earned rather than automatically protected."

The Freedoms Foundation urges that:

"National attention be focused on the values and responsibilities of freedom under our Constitution and Bill of Rights. Americans become more active, sophisticated and articulate in behalf of our way of life than are the Communists in behalf of their system. Every American understand and appreciate his heritage and understand the nature of the threat to it. Everyone become well enough informed about freedom that they know not to give it away piecemeal, being left with the forms rather than the realities of freedom."

County Liquor Permit, License Fees Reported

A total of \$40,695 was added to the Madison county general revenue fund through sale of liquor licenses and permits last year, County Auditor John L. Kravynak has announced.

Kravynak said receipts from sale of 147 licenses accounted for \$40,320 of the total amount. The rest was from sale of 14 permits at \$20 or \$40 each, plus a small 1961 balance.

The licenses and permits are issued by the county Liquor Control Commission. Gus Haller is commission chairman.

Fined \$200 For Breaking Window, Lodged In Jail

County Expenditures Below January Normal

Less than eight percent of the county's general revenue fund for 1963 was spent during January, slightly below normal expenditures for that period, according to County Auditor John L. Kravynak.

Kravynak said January expenditures totaled \$96,397, or 7.6 percent of the total budget for the current fiscal year.

Fees and salaries accounted for the greatest expenditures, amounting to \$41,739. The revenue report included \$93,698 in taxes levied in 90-day U. S. Treasury notes.

Future High Schools Are Educators' Book Subject

Future American high schools will focus attention on how they pay dividends rather than what they cost, according to six Southern Illinois University professors. Their prediction was made in a newly-published book, "Secondary Education."

The SIU educators believe the current move toward diversification in class size will be accelerated. Some things can be learned well in large groups, others better in small discussion groups, and still others in individual study, they say.

"While there exists a trend to increase provision for individual differences in classes," the authors hold, "the same trend stresses no one subject at the expense of another. It is im-

portant that the school program be equally excellent in all areas. Many have concluded incorrectly, they go on to say, that little was being done to improve our high school science and mathematics programs before the appearance of a Russian " Sputnik."

"The facts are that improve-ments were taking place long before that event and that they are still evident," the writers state. Cooperating in the study were

Claude Dykhouse, Troy Edwards, Ross Eligor and Herbert Smith, all of the main SIU campuses at Carbondale, and Dr. Clarence Stephens, SIU vice-president in charge of the Southwestern regional office. It is im-

Mary M. Caruso Named President Of VHS Council

By Michael Lopez

Mary Margaret Caruso was named president of the Venice high school student council for the coming year in balloting by the student body last week.

In results of the election announced this week, Marilyn Gonterman was named vice-president and Jackie Lake sec-

retary-treasurer. The three were elected from among seven candidates, all of whom addressed the student body at an assembly.

The newly-elected president and secretary-treasurer will have an opportunity to attend the Illinois Student Council Convention to be held at Chicago last weekend in April.

Other candidates included David Case for president and Mary D. Scaturro, John Sham-bro and William Getz for vice-president. Miss Lake was un-

opposed. The tuberculin testing program was administered by Quad-Cities physicians and nurses, all volunteering their services. Faculty members at the schools assisted.

The program is sponsored annually by the Madison County Sanatorium as a deterrent to tuberculosis. Exposure to the disease is indicated by the skin X-ray would detect its presence.

March 15 Deadline For Scholarship Requests

March 15 is deadline for applications for scholarships for the 1963-64 year at Southern Illinois University, according to Arthur A. Swanson, coordinator of student financial assistance.

Scholarships offered by the university—75 in number—cover full tuition. Awards are given on the basis of scholastic ability and financial need.

Swanson said 40% of the scholarships for the term beginning in September have been set aside for freshmen. Inquiries for scholarships, applicable to both the main and Southwestern campuses, should be made to the SIU office of student affairs, Carbondale.

GC Senior Scouts Among Delegates Named By Council

Two Granite City girls have been selected for delegations from the River Bluffs Girl Scout Council to attend Senior Scout conferences next month.

They are Miss Linda Evans, 228 Wayne avenue, and Miss Barbara Ann Peach, who lives at 2207 Waterman avenue. Their selections were announced by Mrs. Earl Ladd, chairman of the council's Program Services committee.

Both girls are members of the River Bluffs Council's senior planning board, and both are experienced Girl Scouts, who have been active in scouting since they were in the second grade.

Miss Peach is a delegate to a "Living the Law" conference to be held at Des Plaines March 15-16. A member of Senior Troop 212, she will join scouts Terry Schaefer and Georgia Hordsey of Godfrey as delegates to the conference.

Miss Evans, a member of Senior Troop 212, is an alternate to "Steer by the Stars" conference scheduled at Peoria March 15-16. She is one of two alternates named to attend the conference in the event any of the delegates is unable to attend.

Scouts Distributing 'Goodwill Bags' Here

Boy Scouts and Cub Scouts throughout the Cahokia Mound Council area are delivering "Goodwill bags" this week to be filled with discarded clothing and household items for pickup Saturday, March 9.

Materials contributed will go to the Goodwill Industries plant in St. Louis. There, handicapped and crippled workers will restore them for sale in Goodwill stores. Money from such sales provide wages for the handicapped workers.

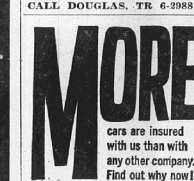

Quid-Cityans who do not receive the special bags this week are asked to fill boxes or grocery bags with their discarded items for pickup next week.
